San Francisco Asthma Task Force Environmental Committee

February 15, 2006, 2-3:45 pm
Fox Plaza, 1390 Market St., **ROOM 230**

AGENDA

PRIMARY MEETING FOCUS: REDUCING ENVIRONMENTAL RISK FACTORS FOR ASTHMA IN **PUBLIC HOUSING**

Our Work Plan Objective:
By June 2006, SFHA will develop and demonstrate quality assurance and remediation protocols, including tenant education, which will be effective in controlling mold hazards at SFHA sites, and the Board of Supervisors will adopt policy

Agenda Items:

1) Plan Board of Supervisors Hearing with SFHA (45 mins)

2) Plan for MOU language (30 mins)

3) Complete Communications Activity (30 mins)

4) Announcements & Review meeting outcomes (5 mins)

5) Plan next meeting date (March 1st) and agenda topics (5 mins)
