

Start

**Evaluate**

How will you know you've met your objectives? Write out an evaluation plan.

Pick a card  
**Celebrate!**

What issue has your CAT formed to address?

What techniques will you use to reach agreement in your CAT?

What resources do you think your CAT will need?

Remember to include the expertise listed on the walls around the room

How will you use the expertise of your CAT members?

How will you develop needed skills within your CAT?

# CAT Map

What are the necessary steps to take to complete a successful action?

6 mos.

3 mos.

1 mo.

Choose a strategy (or community action) you can complete in 6 months:

We chose this strategy/action because:

Write an objective for that action:

Choose one strategy and discuss the factors that will help & hurt your strategy.

List on flip chart paper "hurt" "help"

As a group, list all the strategies you can think of to address the issue you selected. List on flip chart paper

(remember the Spectrum of Prevention)

**Allies**

**Opponents**

Identify expected community support & anticipated opposition to your CAT action

**Praise Break**

Fill out a praise card and pass it to the person on your left
