Southeast Health Center

2401 Keith Street **(415) 671-7000**
San Francisco, CA 94124

The Southeast Health Center (SEHC), located in the Bayview Hunters Point district of San Francisco, is a full service health clinic within the Community Health Network. SEHC focuses on family practice and also provides dental and mental health services for patients and clients of all ages. The staff at SEHC includes those proficient in most languages spoken in the neighborhoods it serves and special projects are offered to meet the special needs of the population it serves, such as targeted diabetes programs and line-dancing for health.

2006 Child Passenger Safety Project

Contact: Karen Pierce **Award Amount: $20,000**
(415) 581-2459 **karen.pierce@sfdph.org**

Southeast Health Center will conduct a monthly child passenger safety workshop for its patients, parents, and community members in the Bayview Hunters Point neighborhood, which includes car seat distribution, as well as develop linguistically and culturally appropriate brochures and educational materials. SEHS will present the CPS project to at least 4 community and agency meetings to gather feedback and suggestions regarding program implementation and cultural sensitivity factors.

**Funding for this program was provided by a grant from the California Office of Traffic Safety
through the Business, Transportation and Housing Agency.**
