Each school offering specialized and targeted support services must complete, post onsite, and follow this Health and Safety Plan.

- Physical distancing between children is encouraged as appropriate depending on the nature and location of the activity.
- All adults and children in third grade and up wear a face covering unless eating or drinking, as needed for provision of services, or otherwise exempt.
- Children 2 years old through second grade are encouraged to wear face coverings to the extent feasible, especially during the following times:
 - During group activities or playtime when children are not physical distancing, especially indoors;
 - Where children may encounter staff and children from other cohorts; and
 - If a child becomes ill after arriving and is waiting for pick up (and is not asleep)
- Protocols for frequent hand washing and/or sanitizing are in place.
- Activities are done outdoors to the greatest extent possible.
- Ventilation is maximized to the greatest extent possible through opening windows (when safe to do so) and/or adjusting mechanical ventilation to maximize fresh (outdoor) air ventilation, as appropriate.
- Sharing of supplies and high-touch material is limited to the extent possible.
- Frequently touched surfaces, supplies and other objects are cleaned and disinfected regularly.
- Staff contact with families at drop-off and pick-up is limited as much as possible.
- Children are placed as far apart as possible during meals and snacks.
- Sports and physical education are permitted only when at least six feet of physical distance can be maintained between all participants at all times.
- No group singing or playing wind instruments.
