San Francisco COVID-19 Health Screening Form
(September 14, 2020)

This handout is for use by anyone who is screening non-personnel individuals (such as clients, visitors, etc.) prior to entry into a location or business. SFDPH discourages anyone from denying core essential services (such as food, medicine, shelter, or social services) to those who may answer “yes” to any of the questions below and encourages people to find alternative means to meet clients’ needs that would not require them to enter the location. Health Officer Directives may provide additional requirements regarding screening in a specific context.

Go to www.sfcdcp.org/businesses for more information or a copy of this form.
Screening forms for personnel can be found at www.sfcdcp.org/screening-handout.
