

## ATTACHMENT A-1: Personnel Screening Form

(September 16, 2020)

Any business or entity that is allowed to operate in San Francisco during the COVID-19 pandemic MUST screen Personnel with the questions below on a daily basis as part of its Social Distancing Protocol compliance and provide this information to Personnel. Go to [www.sfgcdcp.org/screening-handout](http://www.sfgcdcp.org/screening-handout) for more information or a copy of this form. Do not use this form to screen customers, visitors, or guests. The screening form for Non-Personnel is available at [www.sfgcdcp.org/screeningvisitors](http://www.sfgcdcp.org/screeningvisitors). Health Officer orders or directives may provide additional screening requirements.

### **Part 1 – You must answer the following questions before starting your work every day that you work.**

You may be required to provide the answers in person or via phone or other electronic means to the Business before the start of each shift. If any answers change while you are at work, notify the Business by phone and leave the workplace.

<p>1. In the last 10 days, have you been diagnosed with COVID-19 or had a test confirming you have the virus?</p>		
<p>2. In the past 14 days, have you had “<b>Close Contact</b>” with someone who was diagnosed with COVID-19 or had a test confirming they have the virus while they were contagious<sup>†</sup>?</p> <p style="margin-left: 20px;">† “Close Contact” means you had any of the following types of contact with the person with COVID-19 while they were contagious<sup>‡</sup>:</p> <table style="width: 100%; border: none;"><tr><td style="width: 50%; vertical-align: top;"><ul style="list-style-type: none"><li>● Lived or stayed overnight with them</li><li>● Was their intimate sex partner</li><li>● Took care of them or they took care of you</li></ul></td><td style="width: 50%; vertical-align: top;"><ul style="list-style-type: none"><li>● Stayed within 6 feet of them for more than 15 minutes</li><li>● Exposed to direct contact with their body fluids or secretions (e.g., they coughed or sneezed on you) while you were not wearing a face mask, gown, <u>and</u> gloves</li></ul></td></tr></table> <p style="margin-left: 20px;">‡ Contagiousness: People with COVID-19 are considered contagious starting 48 hours before their symptoms began until 1) they haven’t had a fever for at least 24 hours, 2) their symptoms have improved, AND 3) at least 10 days have passed since their symptoms began. If the person with COVID-19 never had symptoms, then they are considered contagious starting 48 hours before their test that confirmed they have COVID-19 until 10 days after the date of that test.</p>	<ul style="list-style-type: none"><li>● Lived or stayed overnight with them</li><li>● Was their intimate sex partner</li><li>● Took care of them or they took care of you</li></ul>	<ul style="list-style-type: none"><li>● Stayed within 6 feet of them for more than 15 minutes</li><li>● Exposed to direct contact with their body fluids or secretions (e.g., they coughed or sneezed on you) while you were not wearing a face mask, gown, <u>and</u> gloves</li></ul>
<ul style="list-style-type: none"><li>● Lived or stayed overnight with them</li><li>● Was their intimate sex partner</li><li>● Took care of them or they took care of you</li></ul>	<ul style="list-style-type: none"><li>● Stayed within 6 feet of them for more than 15 minutes</li><li>● Exposed to direct contact with their body fluids or secretions (e.g., they coughed or sneezed on you) while you were not wearing a face mask, gown, <u>and</u> gloves</li></ul>	
<p>3. Have you had one or more of these symptoms today or within the past 24 hours which is <u>new or not explained by another condition</u>?</p> <table style="width: 100%; border: none;"><tr><td style="width: 50%; vertical-align: top;"><ul style="list-style-type: none"><li>● Fever (100.4°F/38.0°C or greater), chills, repeated shaking/shivering</li><li>● Cough</li><li>● Sore throat</li><li>● Shortness of breath, difficulty breathing</li><li>● Feeling unusually weak or fatigued</li></ul></td><td style="width: 50%; vertical-align: top;"><ul style="list-style-type: none"><li>● Loss of taste or smell</li><li>● Muscle or body aches</li><li>● Headache</li><li>● Runny or congested nose</li><li>● Diarrhea</li><li>● Nausea or vomiting</li></ul></td></tr></table>	<ul style="list-style-type: none"><li>● Fever (100.4°F/38.0°C or greater), chills, repeated shaking/shivering</li><li>● Cough</li><li>● Sore throat</li><li>● Shortness of breath, difficulty breathing</li><li>● Feeling unusually weak or fatigued</li></ul>	<ul style="list-style-type: none"><li>● Loss of taste or smell</li><li>● Muscle or body aches</li><li>● Headache</li><li>● Runny or congested nose</li><li>● Diarrhea</li><li>● Nausea or vomiting</li></ul>
<ul style="list-style-type: none"><li>● Fever (100.4°F/38.0°C or greater), chills, repeated shaking/shivering</li><li>● Cough</li><li>● Sore throat</li><li>● Shortness of breath, difficulty breathing</li><li>● Feeling unusually weak or fatigued</li></ul>	<ul style="list-style-type: none"><li>● Loss of taste or smell</li><li>● Muscle or body aches</li><li>● Headache</li><li>● Runny or congested nose</li><li>● Diarrhea</li><li>● Nausea or vomiting</li></ul>	

If you answer “YES” to ANY of these 3 questions, do not enter any business or facility and follow the steps listed in Part 2 below.

### **Part 2 –**

- If you answered **YES to Question 1 or Question 2. DO NOT GO TO WORK.** And:
  - You **MUST** follow the rules **mandated** by the Health Officer Isolation/Quarantine Directive No 2020-03c/02c. **Follow Isolation/Quarantine Steps** at: [www.sfgcdcp.org/Home-Isolation-Quarantine-Guidelines](http://www.sfgcdcp.org/Home-Isolation-Quarantine-Guidelines)
  - Do not return to work until the Isolation or Quarantine Steps tell you it is safe to return!
- If you answered **YES to Question 3:** You may have COVID-19 and **must be tested for the virus** before returning to work. Without a test, the Business must treat you as being positive for COVID-19 and require you to stay out of work for at least **10** calendar days. To return to work sooner and protect others, **follow these steps:**
  1. **GET TESTED!** If you have insurance, contact your healthcare provider to get tested for COVID-19. If you do not have insurance, you can sign up for free testing at CityTestSF (<https://sf.gov/citytestsf>). If you live outside the City, you can check with the county where you live, get tested by your usual healthcare provider, or use CityTestSF.
  2. Wait for your results at home and follow the instructions at [www.sfgcdcp.org/Home-Isolation-Quarantine-Guidelines](http://www.sfgcdcp.org/Home-Isolation-Quarantine-Guidelines) to determine next steps. Only return to work when those guidelines say it is safe.

**Please note:** Flu vaccines are critical in the fight against COVID-19 by (1) keeping workers and communities healthy and (2) reducing strain on our healthcare and testing systems that are responding to COVID-19. **Those over the age of 6 months are strongly encouraged to get a flu shot.** Find out how to get one at [www.sfgcdcp.org/flu](http://www.sfgcdcp.org/flu)
