

San Francisco Department of Public Health

Rapid Antigen Testing for Pro-Operative Screening for COVID-19 Memorandum AND Summary, FAQ, and Additional Guidance for Health Directive 2020-09c: Required Best Practices for Dental Health Care have been retired.

As COVID-19 case rates decrease and vaccination rates increase county-wide, the City and County of San Francisco Health Officer has rescinded (repealed) Health Officer Order No. C19-08 and the accompanying Directives of the Health Officer Nos. 2020-08b, 2020-09c, and 2020-20c, effective 5/20/21.
