RESCISSION OF DIRECTIVE OF THE HEALTH OFFICER No. 2020-05d

RESCISSION OF DIRECTIVE OF THE HEALTH OFFICER OF
THE CITY AND COUNTY OF SAN FRANCISCO REGARDING REQUIRED BEST
PRACTICES FOR RESTAURANTS AND OTHER FACILITIES THAT PREPARE AND
SERVE FOOD FOR DELIVERY OR CARRY OUT

(PUBLIC HEALTH DIRECTIVE)
DATE OF RESCISSION: April 14, 2021

Effective at 8:00 a.m. on April 15, 2021, Health Officer Directive No. 2020-05d, issued March 23, 2021, is rescinded in full.

Even though COVID-19 case rates have come down significantly and more people are vaccinated, there is still reason to use caution until the end of the pandemic as to activities that can lead to transmission of the virus, including dining-related activities. At this point, there is no longer a need for special guidance for food delivery or carry out. All people in the City and County of San Francisco remain subject to the Health Officer’s Stay-Safer-At-Home Order, Order No. C19-07, including as that order is revised in the future, until that order is rescinded. And to the extent that any activity is covered by another directive (such as, for example and without limitation, Directive No. 2020-16 regarding dining), participants and hosting facilities must also comply with any such directive until it is rescinded.

Susan Philip, MD, MPH, Acting Health Officer of the City and County of San Francisco
