

NOTICE

MEDICAL CARE FOR THOSE WHO CANNOT AFFORD TO PAY

This health care facility is receiving funding as a result of Proposition 99 – The Tobacco Tax and Health Protection Act of 1988. These funds are to be used for the provision of services free or at a reduced charge to persons who cannot afford to pay for Medical Care.

If you are unable to pay for all or part of the care you need, you may contact the admissions or business office of this facility and ask about the availability of such care.

**If you would like further information, you may call the City and County of San Francisco
