June 2022 Avatar Training Schedule

Avatar classes being offered this month are shown below. Pre-class registration is required for all classes – basic and refresher. Please register early, as space is limited. Drop-ins will not be admitted. **Due to COVID-19 restrictions, all Avatar training will be conducted remotely until further notice. A link to the training will be sent to all registered attendees prior to the scheduled class; please ensure that the attendee's email address is correct and complete when registering.**

Avatar Basic Classes

- Designed for staff new to the Avatar system.
- Basic classes are: *Admission/Clinical – Adult MH*, *Admission/Clinical – Child/CYF*, *Admission/Clinical – SUD* and *Admissions*.
- We are streamlining Clinical classes to one day by having classes focused on relevant subject areas.
- Residential programs are advised to take the one-day Adm/Clin class and then schedule a separate Residential training.

Note: The Admission/Clinical class includes an overview of the intake/admission forms, but is focused primarily on accurate use of Avatar clinical assessments, treatment plans and progress notes.
