## TRAINING AGENDA

### Training Objective:

- Background and Purpose
- DHCS Guidelines
- Sliding Fee Scale/UMDAP
- Payment Collection Process
- Red Money Bags
- Receipt Book
- Policy and Procedures on Patient Payment Handling
- Payment Receipt Sign
- Clinic Payment Transmittal Report
- Weekly Money Log File
- Resources
- Self-Enroll to Take Quiz (multiple choice) to obtain a Certificate of Completion

## BACKGROUND AND PURPOSE

The purpose of this training is to comply with the mandatory guidelines instructed by City Services Auditors' Division. It is the responsibility of all Site Cashiers to determine if a client has Patient Fee Liability or not.

Patient fees include: UMDAP (Uniform Method to Determine Ability to Pay), Sliding Fee payable, monthly Medi-Cal Share-of-Cost, Medicare or Insurance Co-insurance, Annual Deductible, and Cost of Services Client received as a Private/Self-Pay accounts. **It is against Federal laws, State regulations, and the BHS (also known as CBHS) Code of Conduct to automatically waive or reduce Patient Fees payable.**

Note that the County can only charge the Client the cost of services received or their UMDAP amount, whichever is less. Being able to pay 'something' often gives the client a sense of being a valued member/beneficiary of the program. Also, it helps make the program viable by offsetting County Fund.

## DEPARTMENT OF HEALTH CARE SERVICES GUIDELINES

The CA Department of Health Care Services (DHCS) and the Welfare & Institutions (W&I) Code requires an annual PFI (Patient Financial Information)/UMDAP to be completed for all Mental Health Clients in order to continue to receive services from Behavioral Health Services (BHS), formerly known as CBHS Providers.

The UMDAP Fee Schedule is based on the California Tax Schedule rate; despite many changes in California public mental health system since 1991, the UMDAP process is still a valid statutory requirement and remains unchanged.

Under the W&I Code, it is the responsibility of all Mental Health and Substance Abuse Disorders Programs to determine Clients' eligibility for Medi-Cal benefits and other entitlements so that Providers may assist Clients to obtain these entitlements. If the Client is unable to pay monthly Medi-Cal share of cost amount determined by county welfare department, (i.e.: Human Services Agency of SF, also known as DHS-Department of Human Services), the Clinicians are allowed to offer them Sliding Fee Scale, i.e.: UMDAP, and provide a "Therapeutic Adjustment" so that these Clients are not financially traumatized. But such adjustments must be documented in progress notes.

## MEDI-CAL SHARE-OF-COST (SOC)

“Share of Cost” is the amount you agree to pay for health care before Medi-Cal starts to pay. This is called “meeting your share of cost.” The SOC is a set amount based on how much money you make and family size. The more money you make, the higher your SOC is. You only need to meet your SOC in the months that you get health care services. Once you meet your SOC amount, Medi-Cal will pay for your care for the rest of that month. It is like a monthly deductible. See a simple grid below to give you an idea of how SOC vs. UMDAP works.

Monthly Service Cost	Yearly Service Cost	Monthly SOC	Yearly SOC	Annual UMDAP
\$ 1,200.00	\$ 14,400.00	\$ 500.00	\$ 6,000.00	\$ 125.00

## FULL SCOPE MEDI-CAL AID CODE 6G

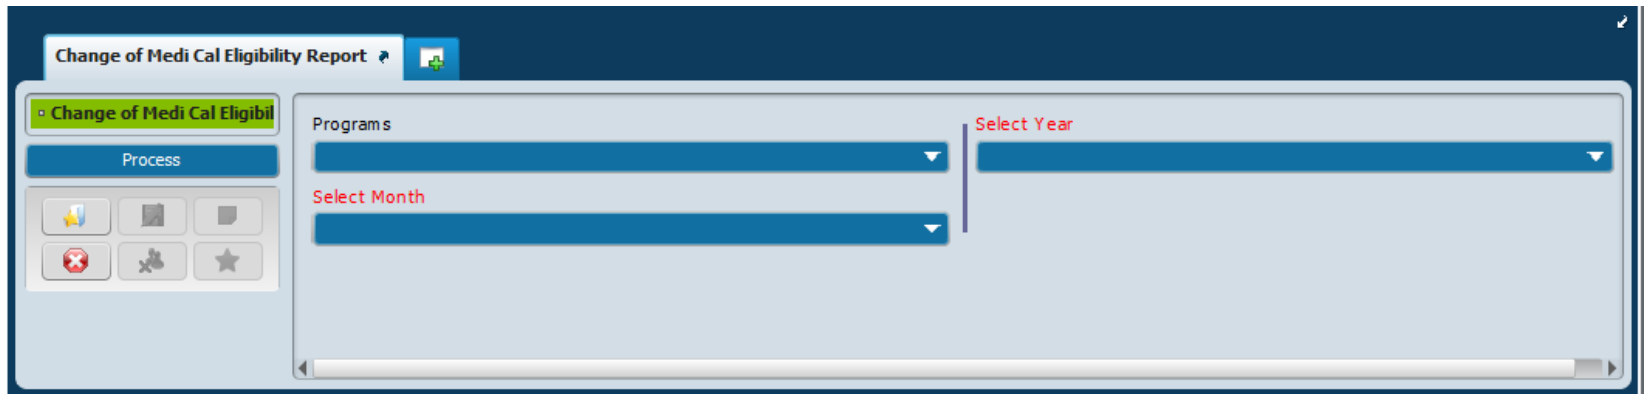

Code	Benefits	SOC	Program/Description
6G	Full Scope	No	250 Percent Program Working Disabled. Provides full-scope Medi-Cal benefits to working disabled recipients who meet the requirements of the 250 Percent Program.

The SOC that shows on client's record is the monthly premium that needs to be paid. This program gives clients who are federally disabled and working the opportunity to be covered by Medi-Cal instead of having a high share of cost as long as they meet the criteria. It is their primary coverage if they don't have Other Health Coverage or Medicare. They are obligated to pay this "premium" monthly unlike share of cost which they don't have to if they did not avail of services in a particular month.

The client is responsible for sending their monthly premium to the State either via US mail or through auto debit (EFT) from their account. Most of the time, such clients have Medicare as their primary and Full Scope Medi-Cal as secondary coverage. The monthly premium amount is usually between \$20-\$250. Thus, do not collect any money from such clients.

## CHANGE OF MEDI-CAL ELIGIBILITY REPORT

The screenshot shows a web application interface for generating a "Change of Medi-Cal Eligibility Report". The interface includes a sidebar with a "Process" button and several icons. The main content area contains three dropdown menus: "Programs", "Select Year", and "Select Month".

The clinic staff needs to run this report on a monthly basis to determine the eligibility status of their clients. If there is a change, a **new** EGI (Episode Guarantor Information) form needs to be completed in order to notify the Billing Office.

## HOW TO READ THE CHANGE OF MEDI-CAL ELIGIBILITY RESULT

The **3-digit** status code '**999**', '**791**' and '**691**' in the last column mean that client does not have coverage. The specific letters in the **OHC** (Other Health Coverage) column indicate as follows:

- **A** Applies to any carrier  
**Note:** Services are directly billable to Medi-Cal.
- **D** Medicare Part D Prescription Plan
- **F** Medicare Part C Health Plan
- **H** Multiple Plans Comprehensive
- **K** Kaiser
- **N** No Other Health Coverage
- **P** PPO/PHP/HMO/EPO Private Health Plan

## HEALTHY SAN FRANCISCO (HSF)

Healthy San Francisco (HSF) enrollees include working individuals whose Employers chose the City's plan for their employees and SF residents who have signed up for low or no cost healthcare coverage. HSF enrollees who have incomes above 101% FPL (Federal Poverty Level) have a Point-of-Service (POS) Fee that is payable at time of service. HSF enrollees who have income levels above 150% FPL and receive specialty services from BHS are assessed a POS fee amount that is different than POS fees charged in Primary Care Clinics because the CA Dept. of Health Care Services (DHCS) requires BHS to use UMDAP. Further, DHCS allows SFDPH - BHS to deduct the Clients' HSF Participation Fee (i.e., the annual premium paid for HSF coverage) from their UMDAP annual liability amount. This adjusted annual UMDAP amount is divided by 12 (months). The resulting amount is the HSF Client's monthly POS fee for CBHS services.

Should you have any questions for HSF benefit coverage, please call 415.255.3680.

## WHEN IS A NEW EGI, UMDAP/PFI AND/OR CONSENT FOR BILLING REQUIRED?

### Client Consent for Billing

- PHI requirement, per 42 CFR
- First time
- Annually
- For all Clients across the board (MH and SUD)

**Note:** The form is signed by the Client or their Responsible Party, to document their consent and authorization to release health information for billing purposes, agreement for coordination of healthcare benefits, and assignment of benefits (i.e., health coverage payments) to the SF Department of Public Health.

### EGI (Episode Guarantor Information)/PFI (Payer Financial Information)

- First time
- Annually
- Whenever there is a change of benefit coverage information

**Note:** Per State Regulations, an EGI must be completed for the Client upon Admission into a MH or SUD treatment program; and, at least annually for Clients who are continuing to receive services from SFDPH - CBHS.

### UMDAP/Sliding Fee

- First time and annually (12 months from when it is completed)

**Note:** If a client has an Out-of-Pocket expense, such as a monthly Medi-Cal Share-of-Cost, Medi-Cal annual deductible and Co-insurance amounts payable, Medi-Medi-SOC, HSF, only Medicare Part B (no Medi-Cal coverage as secondary), Medicare Part C or HMO or Private Insurance coverage, and is unable to pay these amounts, Providers use UMDAP to determine a Sliding Fee amount that the Client or their Responsible Party can pay for services received from CBHS Providers. Mental Health Programs complete the Avatar Family Registration form/screen to enter UMDAP information for their Clients.

## PAYMENT COLLECTION PROCESS

- Verify eligibility and determine if client has liability before collecting payment
- Review MEDS Info in Avatar system, or go to Claim Remedi portal
- Complete EGI (Episode Guarantor Information) form
- Complete Family Registration form for UMDAP information
- Update Designated Cashier Form that includes Program Director/Manager's backup
- Receipts must be issued sequentially
- Any voided receipts must be sent along with the day's payment transactions to the Billing Office
- All receipts must be accounted for in order to balance the daily transactions
- Checks must be **endorsed immediately** upon collection
- ***DO NOT*** collect payments from ***FULL-SCOPE MEDI-CAL*** Clients because they do not have any patient liability. The refund process is very cumbersome. A completed and signed IRS W-9 form is required by City Controller's Office in order to process refund checks
- If receiving cash payment, collect the exact amount owed

## RED MONEY BAGS

- Locked bags are used by Clinics to transport payments, issued receipts copies, and transmittal report summaries to the BHS Billing Unit
- Each clinic will be provided two bags each in order to meet the Controller's requirement to send all payments received within one business day
- Bags must be sent within 24-hours
- Bags must be locked/secured properly
- All documents submitted must be reviewed and signed
- If accidentally locked, inform Billing Unit immediately
- \* Money bag log must be faxed every Friday to **415-252-3035**
- Clinics that has high volume payments can request for more than two bags
- Must document and keep track of inventory list (money bags, receipt book etc.)

## RECEIPT BOOK

- Each Clinic will be issued a receipt book for collections
- BHS billing records and monitors all Receipt Books and Receipt Number issued to Clinics
- BHS billing unit is responsible for ensuring receipt books and receipts are issued sequentially, and that all unused and voided receipts are accounted for
- Each receipt has three copies: white, yellow, and pink
  - White is the original copy to be sent to BHS Billing Office
  - Yellow copy is to be kept in the Clinic and maintained as a permanent record in case of an audit
  - Pink copy is to be issued to client as a proof of payment
- Voided receipt(s) must be sent to BHS Billing Office with a notation on the business letterhead as to why it was voided including the white and pink copies, along with the day's payment transactions
- Skipped receipt(s) should be used next payment
- Additional Receipt books can be requested in writing by sending an email to [christine.chan@sfdph.org](mailto:christine.chan@sfdph.org) and cc'd to: [nanalisa.rasaily@sfdph.org](mailto:nanalisa.rasaily@sfdph.org)

## WEEKLY LOG FILE

- Site Cashiers maintain a log file at their Clinic to record when their Locked Money Bag is transmitted and when it is received back
- The log is used for locating the Clinic's Money Bag at all times
- The log must be initialed and accurately dated by the interoffice courier at the time of pick-up; or initialed and dated by the designated staff delivering the Locked Bag to the central Billing Office at 1380 Howard
- **DO NOT DATE OR SIGN FOR THE INTEROFFICE COURIER** prior to the bag being picked up
- A copy of the **Money Bag Log File** (see image on next slide) must be faxed by the end of every work week, usually on Friday at **415-252-3035**; Attention to BHS Patient Account Billing Unit
- If no payments are received for the week, you are required to fax Money Bag Log File with the entry "**NO PAYMENT RECEIVED**" with the Site Cashier's signature and date
- This failsafe mechanism allows to uphold the internal audit controls in place
- \*These are subject to annual audits by the City Controller's Office; delays in receiving Clinics' Money Bags are documented and followed up by BHS Billing

## WEEKLY LOG FILE

This method was established to identify explicit internal control points at both ends (Clinic and Billing Office) in order to balance and safeguard our daily collection. Note that you are required to fax **\*WEEKLY** Money Bag Log File regardless of payment being received or not. For example, the image below shows that no payment was received during the week of 8/5/16.
