FY21-22 Q4 Performance Objective CYF-1

Needs Outcomes Item-Level Report

7/1/2021 - 6/30/2022

The charts below display the Needs items from the CANS. The stacked columns represent the total number of episodes with an actionable rating on each item, and the number of those that improved.*

Mean number of months between CANS: 11.8  ●  Median number of months between CANS: 11.7

Number of CANS pairs with actionable items: 1553  ●  Number of CANS pairs with improvement: 829

Number of CANS pairs without actionable items: 37  ●  Number of children/youth: 1512

Percent of episodes improved on 50% or more of items:  53.4%

Behavioral/Emotional Needs  ●  6 thru 20

CANS pairs for 6 thru 20: 1506

Traumatic Stress Symptoms  ●  6 thru 20

*The two most recent CANS are included for each child/youth episode, with the most recent CANS occurring during the reporting period. Only CANS with a minimum of 8 months of treatment between assessments are included. Actionable ratings are items rated as a 2 or a 3, and improvement is a decrease of 1 point or more.

FY21-22 Q4 Performance Objective CYF-1
Needs Outcomes Item-Level Report

The charts below display the Needs items from the CANS. The stacked columns represent the total number of episodes with an actionable rating on each item, and the number of those that improved.*

Mean number of months between CANS: 11.3 ● Median number of months between CANS: 11.9
Number of CANS pairs with actionable items: 8 ● Number of CANS pairs with improvement: 6
Number of CANS pairs without actionable items: 0 ● Number of children/youth: 8

Percent of episodes improved on 50% or more of items: 75.0%

Behavioral/Emotional Needs ● 6 thru 20

CANS pairs for 6 thru 20: 8

Traumatic Stress Symptoms ● 6 thru 20

*The two most recent CANS are included for each child/youth episode, with the most recent CANS occurring during the reporting period. Only CANS with a minimum of 8 months of treatment between assessments are included. Actionable ratings are items rated as a 2 or a 3, and improvement is a decrease of 1 point or more.
