HCN's mission is to provide comprehensive mental health and family support services, to decrease the trauma of homelessness, as well as increase the effectiveness of the HCN Collaborative. In addition to mental health services, HCN offers centralized and accessible family support services through referrals and resources, child care consultation, aftercare services, trainings, advocacy and ongoing support for families and staff at entities serving homeless families. HCN's goal is to meet the needs of each family effectively, by offering developmentally and culturally appropriate services that are flexible and accessible within the system of delivery.
