Staff List for each Drug Medi-Cal Program

Rendering Provider Table

Below is list of rendering providers at each program site within San Francisco’s Drug Medi-Cal Organized Delivery System. DMC-ODS services may be delivered by an individual provider, or a team of providers, who is working under the direction of a licensed practitioner operating within their scope of practice.

Only licensed substance use disorder services providers are listed in this provider directory.

The terms of the rendering provider table are defined below:

Rendering Provider – Rendering provider is an individual that supplies behavioral health services at a clinic within the SF DMC-ODS network.

Practitioner Type- The type of practice/profession of the clinician.

Practitioner License/Certification Number- The license or certification number associated with verification that the clinician is able to perform their particular occupation in their particular location.

National Provider Identification (NPI) Type I- The National Provider Identifier (NPI) is a unique identification number for covered health care providers.

Language Capacity - Languages spoken by the clinician.

Cultural Competency Training - For this provider directory Cultural Competency is defined by the County as any trainings under the umbrella of intersectionality on race, gender identity, sexual orientation, religion, nationality, disability; and our feeling towards these matters such as implicit biases.
