

# Density of DAO Alcohol Outlets

by Supervisorial District

- **Off-sale alcohol outlet**

Off-sale alcohol outlets are retail establishments authorized to sell beer, wine and/or distilled spirits for consumption off the premises where sold. All off-sale alcohol outlets in San Francisco are required to have a Deemed Approved Uses Ordinance (DAO) certificate.

The DAO is a San Francisco City & County regulation that requires businesses that sell alcoholic beverages for off-site consumption to maintain their businesses in a lawful and beneficial manner for the public and the surrounding community in order to strengthen neighborhood and community partnerships to promote the health, safety and welfare of the residents of San Francisco.
