

Weights and Measures

Removal of Weighing and/or Measuring Device from Commercial Use by Owner

This is to notify the San Francisco Sealer of Weights and Measures, the removal of my weighing/measuring device from commercial use. This device was registered with the San Francisco Sealer of Weights and Measures. It was being used to determine the weight or measure, to buy or sell commodities; or to determine and charge a service fee based on the weight or measure determined by this device.

Device Type: Scale Meter

Device Make:			
Device Model:			
Device Serial Number:			
Used at (Business DBA):			
Located at:			

I, _____, legal owner of this device certify that the above declared
(Print First and Last Name)

device will be removed from my business establishment on _____
(month/day/year)

I will notify the San Francisco Sealer of Weights and Measures in the event I decide to use a weighing and measuring device for commercial purposes at this business location. I acknowledge that it is illegal to use a weighing or measuring device for commercial purposes unless:

- (a) It has been registered with the San Francisco Sealer of Weights and Measures office.
- (b) The device permit registration fees have been paid.
- (c) The unsealed device has been placed in service by a Weights and Measures official or a registered service agency pending certification by weights and measures officials.

I certify under penalty of law that the above is true and correct to the best of my knowledge.
