SF Methamphetamine Task Force

Monday, April 15th, 2019 @ 3:00pm–5:00pm
25 Van Ness Ave, Room 610

Objectives

The Task Force will develop policy recommendations on harm reduction strategies to:

- decrease risks for people under the influence of methamphetamine, especially for individuals experiencing homelessness and likely to use psychiatric emergency services;
- identify best practices for treatment and service options for people who use methamphetamine; and
- reduce the negative medical and social impacts of methamphetamine use on San Franciscans
