SF Methamphetamine Task Force

Thursday, September 12th, 2019 @ 3:00pm–5:00pm
City Hall, 1 Dr. Carlton B Goodlett Plaza, Room 201

Objectives

The Task Force will develop policy recommendations on harm reduction strategies to:

- decrease risks for people under the influence of methamphetamine, especially for individuals experiencing homelessness and likely to use psychiatric emergency services;
- identify best practices for treatment and service options for people who use methamphetamine; and
- reduce the negative medical and social impacts of methamphetamine use on San Franciscans
