Funding sources:

DPH – \$1.4M.

2 projects under development in DPH that were to be brought to SDDTAC once details had been further clarified were put on hold. Expecting Justice Income Supplements and SF Chronic Disease Shared Data system. \$600,000

An additional \$400,000 that had been earmarked for media was allocated.

Remaining \$400,000 was 18/19 carryforward and was to be used for capacity building/consultants

SFPHF – \$250,000

These funds were pulled from capacity building (\$150,000), unused evaluation funds that had been allocated for SDDT 3-yr grantees (\$100,000)
