Biannual Report

How will data be collected for the Biannual report (i.e. enrollment forms, sign-in sheets, employment records)? Discuss for each level of interaction that a program has (employees, trainees, class participants).

Pre/Post Surveys

Pre-post surveys will be administered? Alternative survey design will be used ; Describe:

When (i.e. first and last class of each session; at hire) and how (i.e. paper, self-administered, tablet with staff assistance) will surveys be administered? If paper version used, will also need to outline data entry or delivery?

What version (Focus Areas) of the pre-post surveys will be administered?

Nutrition Physical Activity Oral Health Water Food Security

How matching will occur (via name, id #, other; done by project or evaluator)?

Short Form Surveys

Short Form surveys will be administered?

When (i.e. at start of events...) and how (e.g. paper, electronic, assisted) short form surveys will be administered.

SDDT Funding Initiative Evaluation Participation Plan

Program Evaluation

Has an ongoing evaluation that they will submit for program evaluation requirement?

If yes, Would like funding to build on to existing evaluation?
