

## SDDT Healthy Communities Grants

Organization	Year 1 budget	Neighborhood	Population	Intervention	Mission and Program
<b>Asociacion Mayab</b>	\$200,000	Mission, Tenderloin	Mayan	physical activity and nutrition education, workforce	Asociacion Mayab provides cultural preservation and social services to Maya and other Indigenous immigrant communities in San Francisco. Funding will support our Decolonize Our Health Program that combines culturally and linguistically appropriate nutrition education, cooking demonstrations, dance, and physical activity programming to serve approximately 150 Maya individuals in the Mission and Tenderloin districts.
<b>Bayview Hunters Point Community Advocates</b>	\$150,207	Bayview Hunters Point	Black African American, immigrants	policy/systems/ environmental change strategy, food access	Bayview Hunters Point Community Advocates aims to provide healthy, and quality food, that reaches all communities in our diverse neighborhood, through a cooperative owned and operated by and for Bayview-Hunters Point residents. Funding for a community-owned co-op grocery store in the Bayview-Hunters Point neighborhood to provide affordable healthy, high-quality food for vulnerable populations in southeast SF who suffer from a burden of chronic disease.
<b>BMAGIC</b>	\$175,966	Bayview Hunters Point	African American, low income families, Latinx	policy/systems/ environmental change strategy, physical activity	BMAGIC's mission is to help create and maintain a deeper unified roadmap to social change while addressing the health and wellness needs of Bayview children, youth and their families. Funding for the Bayview Park Rx Program will help us engage approximately 500 residents interested in chronic disease prevention and intervention through health and wellness activities, programs and park services.
<b>Bounce Back and Healthy Generations Project</b>	\$198,875	Potrero Terraces and Annex public housing,(+influence local schools)	Black African American, Latinx, Asian/API children, families, individuals	healthy eating, capacity building, workforce	Bounce Back Generation has promoted resilience to trauma in children since 2011. Our mission involves communities in their own healing. Funding: community hiring to create and implement a wide public awareness campaign directed toward 300 Potrero/Bayview children to recognize the origins of negative coping behaviors and adopt resilient-building habits instead.

## SDDT Healthy Communities Grants

Organization	Year 1 budget	Neighborhood	Population	Intervention	Mission and Program
<b>Community Grows</b>	\$174,460	Western Addition, Bayview-Hunters Point	low-income youth and youth of color: BAA; Latinx, API, teens age 14-19 and TAY 19-25.	physical activity, healthy eating, youth leadership, workforce	Community Grows' mission is to cultivate healthy youth through growing gardens in low-income, diverse communities, co-powering children to become healthy, eco-literate leaders. Funding our BEETS (Band of Environmentally Educated and Employable Teens) program will help employ 10 low-income youth of color to learn and lead health-focused workshops for 130 children and adults in the Western Addition and Bayview about nutrition, gardening and mindfulness, while building and maintaining edible gardens to increase access to fresh produce in their communities.
<b>Community Well</b>	\$162,469	District 11-Excelsior	Asian, Latinx	capacity building, physical activity, healthy eating, workforce	Community Well's mission is to connect residents with high-quality holistic services supporting self-care and overall wellness. Funds will support program delivery of weekly classes on food as medicine, movement and emotional wellness. We aim to serve 1,285 historically underserved residents of southern SF districts, promoting healthy behaviors and reduced rates of chronic illness.
<b>Farming Hope</b>	\$195,440	Tenderloin, Mid-Market, and Mission	very low income and people experiencing homelessness	Healthy eating, workforce development	Farming Hope's culinary apprentice program provides workforce development to formerly incarcerated and homeless neighbors. Funding will employ trainees at Farming Hope's social enterprise restaurant and urban garden, supporting 20+ apprentices annually from Mission, SoMa and Tenderloin neighborhoods. This support will help feed 18,000 customers, while raising awareness about veggie-forward diets.

## SDDT Healthy Communities Grants

Organization	Year 1 budget	Neighborhood	Population	Intervention	Mission and Program
<b>San Francisco African American Faith Based Coalition</b>	\$200,000	Western Addition, Bayview-Hunters Point, OMI	Black African American	Healthy eating	The SF African American Faith Based Coalition is committed to advocating and serving the needs of the underserved African American community (primarily in the Bayview District) while promoting better and healthier living. Funding will aid in building capacity for the Coalition to provide services and serve at least 450 people over the three-year cycle with healthy food training and food security.
<b>SisterWeb</b>	\$200,000	Bayview Hunters Point, District 10(southeast)	African American, Latinx, and Pacific Islander communities	nutrition, physical activity	San Francisco Community Doula Network cultivates a network of peer doulas for women most impacted by adverse birthing experiences. Funding will pair 60 African American, Latinx, and Pacific Islander mothers and families with a doula from their community and provide them with specialized prenatal, peripartum, and postpartum care that includes one-to-one and group Healthy Eating and Active Living (HEAL) skills-building and coaching.
<b>SoMa Community Action Network (SOMCAN)</b>	\$175,708	SOMA, Tenderloin, Excelsior	Filipino American	policy/systems/environmental change strategy, Physical activity, health eating, capacity building	SOMCAN serves low-income, immigrant youth and families in SOMA, Excelsior, and the greater SF. Funding will support “Our Health/Kalusugan, Our Community/Bayan” project, which aims to empower, and build the leadership and civic engagement of SF Filipino residents to attain healthier lifestyles while advocating for healthier neighborhoods.
<b>Urban Sprouts</b>	\$200,000	Excelsior, Sunnydale-public housing, Mission Bay June Jordan	low income of all ages, including youth	policy/systems/environmental change strategy, nutrition-garden, workforce, capacity building, youth leadership	Urban Sprouts seeks to restore cultural connections to health and wellness; reduce health disparities among chronically under-resourced communities of color in Southeast SF; and ready our community for meaningful and gainful employment. Funding will support our annual work with 1600 low-income individuals of all ages through garden-based education, job-readiness, and community health & nutrition education programs in the Excelsior, Sunnydale, and Mission Bay communities.
<b>TOTAL</b>	<b>\$2,033,124</b>
