## Sugary Drinks Distributor Tax Advisory Committee Infrastructure Subcommittee

### MINUTES

October 1, 2019

2 PM

25 Van Ness Ave, Suite 330A

\*Please note that public comment will be held after every agenda item. If a member of the public would like to comment on a topic that is *not* on the agenda, they may do so during general public comment at the start of the meeting. Please see the *Notes* section of this document for additional information.

#### Order of Business:

1. Call to Order / Roll Call [discussion and action]

Meeting called to order at 2:16pm by Michelle Kim.

Present: Rita Nguyen, Michelle Kim, Derik Aoki, Linda Barnard, Jorge Rivas

Staff: Christina Goette, Melinda Martin

2. Approval of September Meeting Minutes [discussion and action]

Members requested that notes include page numbers and edit approval of September instead of August minutes. Rita motions to approve the minutes with these edits. Derik seconded the motion. The minutes were approved.

3. Approval of Agenda- [discussion and action]

Michelle Kim acknowledges agenda item 7 (Debrief 8/21 full committee meeting) was discussed during September SDDTAC meeting and motions to remove agenda item 7. Members agreed to add standing agenda item of SDDT budget updates.

Rita moves to approve agenda with the edits. Michelle seconded the motion. The agenda was approved.

4. General Public Comment

There was no public comment.

5. House Keeping [discussion and possible action]

- a. Community Input Subcommittee Update

Community input subcommittee presented at the September 2019 SDDTAC meeting, their interest in allocating \$50K for community engagement opportunities. Funds would be used to support community engagement efforts and in partnership with Civic Edge to illustrate and communicate out, how communities are being impacted by the SDDT, highlighting where the funds are going and using the campaign to reach a broader audience.

- b. Data & Evidence Subcommittee Update  
D/E no updates since the September SDDTAC meeting. Next D/E meeting 10/19/19.
- c. Ad Hoc Media Committee Update  
No update, committee has not met. Civic Edge is working and integrating work from September SDDTAC meeting recommendations. Rita recommends members to participate on national media calls with other sugar-sweetened beverages (SSB) tax jurisdictions, facilitated by Jim Krieger. It was also encouraged that Civic Edge participate on these calls. Jorge, notes the caution of any form of advocacy, by participating on those calls, but to rather gain perspective on specifics of sugar-sweetened beverage (SSB) tax messaging. As well as to carefully use consultant resources. It was also noted that no state sugar sweetened beverages (SSB) tax is on the horizon anymore. Clarify with Civic Edge to let staff know if they feel they should no longer participate on these calls.
- d. DPH SDDT updates  
DPH has completed its contract negotiations with SDDT funded grantees. SDDT DPH RFP anticipated to be released in October. SFUSD released its Request for Qualifications for the SDDT Healthy Communities Grant as of October 1<sup>st</sup>.

6. Strategic Planning Consultant [discussion and possible action]

- a. Strategic Planning scope of work

Michelle announced what was discussed at the September SDDTAC 2019 meeting. She mentioned that SDDTAC members had reservations about adding more time commitments, strategic planning process should stay within budget, and the work should be completed within the infrastructure subcommittee. SDDTAC would like for the strategic plan to provide a guide of consistency and continuity of SDDT principles and priority strategies. Michelle also expressed the importance of other SDDTAC members to be involved in the strategic planning process due to the make-up of the infrastructure committee are city department representatives. Members agreed to encourage others to participate in the strategic planning process if available. Otherwise, infrastructure subcommittee will continue to work with Raimi & Associates to produce a product that facilitates a process that will encompass all SDDTAC efforts and present a draft product to SDDTAC and document the process.

Members also suggested that it would be helpful to ask Raimi & Associates talk/interview other cities with sugar sweetened beverages (SSB) tax ordinances such as Berkeley, Philadelphia and Seattle and seek their lessons learned and challenges. Key stakeholder information from SDDTAC co-chairs would also be great to include into strategic planning process and documentation. Staff noted that the budget might not allow for this.

Staff noted that DPH has logic model to guide impact of sugary drinks, health outcomes and could align with SDDTAC work. SDDTAC has not seen or adopted the DPH logic model and it could be used for the strategic planning process. Raimi & Associates could use it as a starting point for strategic planning process.

Michelle will reach out to SDDTAC chairs to get more engagement in strategic planning process. It was recommended that announcements at all SDDTAC meetings, to encourage SDDTAC members to participate in the strategic planning process.

Michelle will reach out to SDDTAC chairs to use 30 minutes from other committees' meetings to ask pointed questions or ask them to come to infrastructure committee meeting or infrastructure committee to go to other subcommittee meetings to allow for a larger engagement process for strategic planning besides city department representation.

Michelle motions to do steps as she noted. Linda seconds. All in favor unanimously.

7. Debrief 8/21 full committee meeting [discussion and possible action]

- a. Discuss changes to SDDTAC recommendation process vis a vis Mayor's Office

Members reviewed Michelle Elgersma's presentation at September SDDTAC meeting. It was expressed by members, for staff to identify how long does SDDTAC have to provide more recommendations before the budget is approved by the Mayor. Staff is awaiting to hear back from the Controller's Office regarding questions from SDDTAC regarding budget and be presented to all SDDT meetings.

8. Discuss possible Agenda items for 11/5/19 [discussion and possible action]

- Raimi & Associates strategic planning process
- Update from Office of the Controller's regarding tagging SDDT funds
- Possible suggestion of combining subcommittee meetings to attend infrastructure committee for strategic planning process.

9. PUBLIC COMMENT

There was no public comment.

10. Adjourn

Jorge motions to adjourn meeting. Rita seconded. Motion passes unanimously. Meeting is adjourned at 3:46pm.

General Public Comment: At this time, members of the public may address the SDDTAC Advisory Committee on items of interest to the public that are within the subject matter jurisdiction of the Committee but do not appear on the agenda.

With respect to agenda items, the public will be given an opportunity to address the Committee when the item is reached in the meeting. Each member of the public may address the Committee for up to three minutes.

The Brown Act forbids a Committee from taking action or discussing any item not appearing on the posted agenda, including those items raised at Public Comment. In response to public comment on an item that is not on the agenda, the Committee is limited to:

- Briefly responding to statements made or questions posed by members of the public, or
- Requesting staff to report back on a matter at a subsequent meeting, or
- Directing staff to place the item on a future agenda. (Government Code Section 54954.2(a).) 10.

Each action item will hold public comment before a vote is made.

Explanatory documents are available at the 25 Van Ness Ave, Suite 500 during regular business hours. If any materials related to an item on this agenda have been distributed to the SDDTAC after distribution of the agenda packet, those materials are available for public inspection at the address above during normal business hours.

**RINGING AND THE USE OF CELLPHONES**

The ringing of and use of cell phones, pagers and similar sound-producing electronic devices are prohibited at this meeting. Please be advised that the Chair may order the removal from the meeting room of any

person(s) responsible for the ringing or use of a cell phone, pager, or other similar sound-producing electronic devices.

#### **KNOW YOUR RIGHTS UNDER THE SUNSHINE ORDINANCE**

Government's duty is to serve the public, reaching its decisions in full view of the public. Commissions, boards, councils, and other agencies of the City and County exist to conduct the people's business. This ordinance assures that deliberations are conducted before the people and that City operations are open to the people's review. For information on your rights under the Sunshine Ordinance (Chapters 67 of the San Francisco Administrative Code) or to report a violation of the ordinance, please contact: Sunshine Ordinance Task Force Administrator  
City Hall – Room 244 1 Dr. Carlton B. Goodlett Place, San Francisco, CA 94102-4683,  
415-554-7724 (Office); 415-554-7854 (Fax), E-mail: SOTF@sfgov.org

Copies of the Sunshine Ordinance can be obtained from the Clerk of the Sunshine Task Force, the San Francisco Public Library and on the City's website at [www.sfgov.org](http://www.sfgov.org). Copies of explanatory documents are available to the public online at <http://www.sfbos.org/sunshine> or, upon request to the Commission Secretary, at the above address or phone number.

#### **LANGUAGE ACCESS**

Per the Language Access Ordinance (Chapter 91 of the San Francisco Administrative Code), Chinese, Spanish and or Filipino (Tagalog) interpreters will be available upon requests. Meeting Minutes may be translated, if requested, after they have been adopted by the Family Violence Council/Mayor's Task Force on Anti-Human Trafficking. Assistance in additional languages may be honored whenever possible. To request assistance with these services please contact the Minouche Kandel 415-252-3203, or [minouche.kandel@sfgov.org](mailto:minouche.kandel@sfgov.org) at least 48 hours in advance of the meeting. Late requests will be honored if possible.

#### **DISABILITY ACCESS**

Family Violence Council meetings are held in room 617 at 400 McAllister Street in San Francisco. This building is accessible to persons using wheelchairs and other assistive mobility devices.

Mayor's Task Force on Anti-Human Trafficking meetings are held in Room 305 at City Hall, 1 Dr. Carlton B. Goodlett Place in San Francisco. City Hall is accessible to persons using wheelchairs and other assistive mobility devices. Ramps are available at the Grove, Van Ness and McAllister entrances.

Assistive listening devices, American Sign Language interpreters, readers, large print agendas or other accommodations are available upon request. Please make your requests for accommodations to Minouche Kandel (415) 252-3203, or [minouche.kandel@sfgov.org](mailto:minouche.kandel@sfgov.org). Requesting accommodations at least 72 hours prior to the meeting will help to ensure availability.

#### **LOBBYIST ORDINANCE**

Individuals and entities that influence or attempt to influence local legislative or administrative action may be required by the San Francisco Lobbyist Ordinance [SF Campaign & Governmental Conduct Code 2.100] to register and report lobbying activity. For more information about the Lobbyist Ordinance, please contact the San Francisco Ethics Commission at 25 Van Ness Avenue, Suite 220, San Francisco, CA 94102, (415) 252-3100, FAX (415) 252-3112, website: [sfgov.org/ethics](http://sfgov.org/ethics).

**Comparison between SDDTAC Recommendations and Mayor's Allocations FY 18-19**

Item	SDDTAC Rx Amount	SDDTAC Rx %	SDDTAC Rx Agency	Mayor's Budget	% of Mayor's Budget	Mayor's Proposed Agency	Variance
Community-Based Grants	\$4,680,000	45% (7% school-based)	DPH/CHEP	\$3,817,000		DPH	
				\$728,000	7%	SFUSD via DCYF	
				\$4,545,000	44%	Total	-\$135,000

HOPE SF Peer Enhancements	\$0	N/A	N/A	\$400,000	4%	DPH	\$400,000
<b>Total</b>	<b>\$10,300,000</b>	<b>100.0%</b>		<b>\$10,400,000</b>	<b>100%</b>		

**Description of intended purpose from Mayor's Budget**

Community-Based Grants: Funding to issue grants to CBOs for programs and services in the following areas (1) Health Education, (2) Physical Activity, (3) Food Access, and (4) a Media/Awareness Campaign.

School Food, Nutrition Education, student-led action: Funding to (1) improve the quality of school meals, (2) support nutrition education, and (3) support student-led efforts to decrease consumption of SSBs and increase awareness around students.

Food Access: Healthy Food Purchasing Supplement

Healthy Retail: Will provide Healthy Store makeovers to 2 additional stores and continue ongoing providing support to 10 stores.

Oral Health school-based: Funding to support oral health in schools, including the cost of sealants.

Oral Health: Funding for Community Task Forces

Infrastructure: To fund a contract through DPH for facilitation and strategic support for the SDDTAC. Will also support research needs, including purchasing of data, and costs at DPH related to the administration of CBO grant program.

Water Access: One-time for the installation of water refilling stations in schools. Also can be used to purchase refillable water bottles for students.

SFRPD: Funding to Rec Park to provide continued support of the Peace Parks program.

Hope SF Peer Enhancements: Fund training and peer wage increases.

	<b>Budget Descriptions</b>
<b>COMMUNITY-BASED GRANTS</b>	<p>City Departments should contract directly with CBOs through an RFP process managed through the Community Health Equity and Promotion (CHEP) Branch of the Department of Public Health. CBG should support community-based programs and services that address the health inequities of those most targeted by the beverage industry. Funding should go to Community Based Organizations (CBOs) and Faith Based Organizations (FBOs) for the following strategies:</p> <ol style="list-style-type: none"> <li>1. Health Education activities including, chronic disease prevention, healthy eating and active living, tap water promotion, oral/dental health</li> <li>2. Physical Activity opportunities, including: a) Dance and movement, sports, yoga, walking groups, biking, etc.; b) Efforts to influence changes to the built environment (ie sidewalks, streets, parks, buildings, etc) or safety of the built environment that facilitates increased physical activity and walking and biking for utilitarian trips, sometimes referred to as active transportation); and c) pursuit of institutional or local policies that facilitate physical activity and active transportation (such as adequate PE time and instructors, commuter benefits for active transportation, etc)</li> <li>3. Healthy Eating/Food Security*, including: a) Community-based pantries, community-based hot meals, community kitchens and community home delivery services; b) Increased financial resources (i.e. wages, income, government nutrition supplements, vouchers, etc.); c) Changes to the built environment that facilitate food security; and d) Pursuit of institutional or local policies that facilitate food security.</li> <li>4. Water Promotion, such as support for Spa Water Supplies, station maintenance/beautification, refillable water bottles to distribute to communities, water testing</li> <li>5. Community Based Participatory Research</li> </ol>
Health education, food security, physical activity	
CBOs working with SFUSD	7% of all CBO funding (eg 7% of approximately \$4.3 million) should go towards CBOs implementing programs/initiatives that take place in school settings. Funding to issue grants to CBOS should follow the guidelines above.
Media	To develop and implement a media campaign focused on the impact of the SDDT with an emphasis on grassroots, community-led storytelling. Community Based Participatory Principles will be utilized in the development of the storytelling campaign, with CBOs funded to co-develop the campaign with a contracted media agency. The funds should support both a local and regional media campaigns. The regional campaign should be in coordination with other jurisdictions with similar sugary beverage taxes to leverage resources and augment the intended goals of the SDDTAC. A portion of the local media campaigns must include a merchant education component. A smaller proportion of the funds (to be determined by the Department of Public Health and any contracted entities) may support media/communications campaigns that highlight the health harms of sugary beverage intake and encourage tap water consumption. A portion of the funds must include merchant education. The local campaign must include merchant education component. DPH/CHEP will contract with media agency, and oversee the campaign progress, with guidance from the Community Input Subcommittee on the local and regional community-led story telling campaigns and guidance from the Infrastructure Subcommittee on the merchant focused campaign.
Community engagement	Community engagement activities (ex. community conveners, focus groups, town halls, attending existing community meetings, etc.) to ensure that meaningful community engagement opportunities are fully integrated throughout the work of the SDDTAC, so that impacted populations can inform the decisions of the full committee.
<b>SFUSD</b>	
School Food, Nutrition Ed	To improve the quality and appeal of school meals and support nutrition education to increase participation in school meal programs (for example: cooking and serving equipment, staff professional development, and innovative procurement and menu strategies to increase freshly prepared food). Funding will target schools with the largest populations of high-risk students that are disproportionately targeted by the sugary drinks industry.
Student Led Action	Support student led efforts to decrease consumption of sugary drinks and increase awareness of sugary drinks consumption among students, with focus on schools with the largest populations of high-risk students that are disproportionately targeted by the sugary drinks industry. SFUSD should provide to SDDTAC a proposal of how funding will be spent through student led action.
<b>FOOD ACCESS</b>	

Healthy Food Purchasing Supplement	Support programs that increase financial resources to purchase healthy food such as vouchers and food purchasing incentives. This investment is meant to support both the communities most impacted by the health consequences of sugary beverage consumption and to support the local economy including local merchants. These funds should be RFPed out to CBOs and FBOs according to the Community Based Grants guidelines.
Healthy Retail	Supporting small business to increase healthy food access in high risk and impacted communities and neighborhoods by: 1) supporting business operations; 2) promoting community engagement; and 3) improving the retail environment.
<b>ORAL HEALTH</b>	
Community task forces	Support development of community infrastructure such as oral health community task forces that incorporate diverse stakeholders for outreach, education, and interventions to address the oral health needs of children in high risk populations.
School-based sealant application	Support school-based and school-linked preventive oral health programs within SFUSD schools serving high risk target populations. This should also support SFUSD dedicated oral health staffing.
School-based education and case management	
<b>INFRASTRUCTURE</b>	
DPH Infrastructure	<p><b>A. Personnel</b></p> <p>1) Backbone staffing to support SDDTAC a. A program manager to provide backbone staffing to the SDDTAC, including: i) Staffing full committee and 3 subcommittees in compliance with Sunshine and Brown Acts; ii) Coordinating among city agencies and funded CBOs to promote collective impact; iii) Help guide vision and strategy of SDDTAC, support aligned activities; manage SDDTAC work and timeline; and iv) Working with evaluation team to establish shared measurement practices b. As necessary, manage citywide/soda tax impact media c. Develop/Compile and Manage completion of SDDTAC Annual Report d. Manage SDDTAC biennial nominations process</p> <p>2) Staffing to support DPH SDDT implementation of community based grants a. Manage work of contractors, including: i) develop and implement CBO RFP process; ii) provide technical assistance for CBOs and merchants; iii) promote collective impact in coordination with SDDTAC backbone staff and City Agencies; and iv) work with evaluator and SDDTAC backbone staff to develop and implement evaluation plan and evaluation technical assistance.</p> <p>3) Staffing to support research and evaluation of SDDT impact, including data purchases as necessary a. At least 1.0 FTE epidemiologist; b. Support data analysis for annual report; c. Manage data purchases; d. participate in development and implementation of SDDT evaluation</p> <p><b>B. Professional services</b> including: i) technical assistance for funded CBO and FBO; ii) evaluation - to implement evaluation framework and evaluate funded city agencies, CBO and FBO, and process evaluations from applicants, and provide evaluation technical assistance; iii) city attorney to provide ongoing technical consultation</p> <p><b>C. Materials/Supplies</b> for meetings and printing costs</p> <p><b>D. Training</b> to support staff development</p> <p><b>E. Data</b> for collection (pricing), analysis (Nielsen) and purchase (IRI)</p>
Strategic planning	Strategic planning consultant to facilitate the SDDTAC in creating a strategic plan to guide the work. The development of this plan should be informed by multiple guiding principles to at least include: the 10 essential public health services, community input regarding its priorities and needs, lessons learned and best practices from other jurisdictions that have implemented similar taxes. The strategic planning process should address, among other aspects, the near and long term strategic goals of the SDDTAC; the role of CBOs, FBOs, and city agencies in achieving this vision; how the SDDTAC's goals fit within the context of city-wide coalitions with similarly aligned goals
Evaluation	Additional funds for evaluation may: <ul style="list-style-type: none"> <li>a. support community based participatory research (ex. street intercept, merchant interview, focus groups)</li> <li>b. develop a system to collect data</li> <li>c. expand technical assistance</li> <li>d. conduct more qualitative evaluation that can help develop stories that describe impact of tax</li> </ul>

<b>WATER ACCESS</b>	
<b>Water Access - SFUSD</b>	To install hydration stations at low income schools serving students with health disparities (ex. Bayview, Chinatown, Mission), to elevate the schools to the Silver or Gold standard for hydration stations (i.e. one on each floor, centrally located, and conduct water education). Funds may support purchase of Spa Water Supplies, station maintenance and beautification, refillable water bottles to distribute to students, water testing.
<b>Water Access - Public Spaces</b>	To install or upgrade existing hydration station(s) in public spaces that target high-risk populations that are disproportionately targeted by the sugary drink industry (community identified public spaces). This funding should support high-quality, visually appealing, stations that can serve as a highlighted example of the potential for hydration stations. This can include beautifying and optimizing current station(s) or creating new one(s).
<b>SF Recreation &amp; Parks</b>	To support staffing and supplies, including healthy food, for Peace Parks programs in target populations
<b>HOPE SF Chronic Disease Equity</b>	To fund services to public housing residents in the HopeSF sites. Public housing is a known risk factor for diet sensitive health disparities. The concentrated poverty and resource isolation intensify the impact of race and poverty. This funding will be used to support resident peers, trained as community health workers, to provide health education, chronic disease self-care programs, and linkages to care. Each of the 4 sites will have two full time peer community health workers who will provide a variety of programming. The funding supports both wages and some program expenses.

\* Funding should support programs and services that increase financial resources to purchase healthy food; access to healthy fruits and vegetables while minimizing processed foods for high-risk communities; foods that are affordable and convenient; and programs that support the consumption of healthy foods including the ability to prepare and store meals and the knowledge of basic nutrition, food safety and cooking. Priority programs should incorporate a community-based food security perspective and have demonstrated increased ability of food insecure residents to purchase, access, and consume consumption of healthy, fresh, low-to-no cost and culturally appropriate foods, including but not limited to food vouchers/incentives, transportation and delivery and prepared foods.
