5. General Public Comment – 10 minutes

San Francisco Department of Public Health

Dr. Grant Colfax
Director of Health

City and County of San Francisco
London N. Breed
Mayor

Katie Barahona Lopez, Mission Oral Health: all oral health taskforces have been engaged in an oral health campaign and at end of school year will provide supplies to students and families. Campaign has also addressed COVID challenges. All oral health taskforces are engaged in providing oral health supplies to community members either through the school district, community hubs.

In the chat: Do we know when the Mayor's Office budget will be released for SDDT?

6. Mission High School Presentation [Discussion and Possible Action] – 30 minutes

Mark Dacquisto, teacher at Mission High School, as well as the tech and career coordinator. He teaches an urban agriculture class to seniors and over the years has done various projects related to food access/security and partnered with SFUSD school nutrition department and this year have had to pivot to distance learning and last year was able to receive a grant from SDDT to stipend youth on creating videos on staying healthy during the COVID pandemic. He acknowledges his two collaborators: Angela Buen Camino and Maestra Jade Rivera. Mark introduces students and shares Mission High School webpage, and each student introduces themselves and what each decided to do with their project:

- Lianesse Quesada – about COVID; when vaccines were new and wanted to make it concise and simple.
- Marco Santiago Rivera – A Healthy Morning with Marco – what he does in the morning – jog and cooks.
- Sendy – Four Seasons Green Juice – easy to do and good for you

Mark thanks students for publicly sharing their work. Appreciates support from SDDT and the committee where SDDT was able to support stipends for the youth and their work. Member thanked presenters for their amazing work and to doing it through a difficult time during a pandemic, hopes that students can share with younger kids. Sendy responded that the videos and work was only shared with feel students. Mark noted that the work was completed and too late to share with younger students but will share with elementary school partners.

Public Comment -

Kelly Close – what are students' biggest hopes and dreams?

Sendy – biggest dream to be a doctor and help her community

Marco – biggest dream going to a college and graduate

Mark thanks committee for support in this work to make an impact with the youth.

7. Presenting SDDTAC Recommendations to Board of Supervisors – [Discussion and Possible Action] – 15 minutes

Michelle shared that at last month's SDDTAC meeting, the SDDTAC voted to present the budget recommendations to the Board of Supervisors and at that time was unclear about the process. It was recommended from the DPH governmental liaison that the SDDTAC could follow the format for co-chairs to reach out the Board of Supervisors to schedule individual supervisor meetings or to work with the Friends of the Soda Tax and present budget recommendations to individual supervisors. After these meetings, if any

supervisors are interested, they can call for a full Board of Supervisors presentation.

Michelle noted she is open to attending the meetings with the individual supervisor(s) representing the committee to inform and educate supervisors of the SDDTAC budget recommendations. She expressed the need for help to know when to show up and support from SPUR and others (Friends of the Soda Tax). Members expressed willingness to support and attend meetings.

Public Comment -

Blythe Young, American Health Association – Shape Up Coalition is supportive and would be happy to support SDDTAC and partner for letter of support to the Mayor's Office.

Katie Ettman, SPUR – happy to support SDDTAC meeting with individual supervisors to schedule and would be helpful to have SDDTAC members to educate. If you live in particular district that would be a good way to set it up meetings and happy to reach out on your behalf and message, her, and hope that timing works for all.

Michelle added that meetings will be virtual, and that City Hall will be open on June 15th.

Interested members: Michelle Kim, Saeeda Hafiz, Maureen Guerrero, Dianna Cavagnaro and Abby Cabrera. Blythe Young and Katie Ettman to reach out to interested members.

8. COVID Community Check In [Discussion and Possible Action] – 15 minutes

Abby shared that she has been involved in a collaboration with UCSF, CADPH AND UCLA on Covid vaccine communications training – curriculum UCSF, CADPH, UCLA. To date they have trained 1,000 people to provide up to date COVID information for those who are eligible via calls and to use myturn.ca.gov website.

Irene – Since January DPH has been working with SFUSF Food Nutrition Services in placing tooth brushes the in school grab and go meals for 18 distribution sites and will continue throughout the summer to provide oral health screenings and flourish varnish at summer programs.

Maureen shared that the YMCA has switched to do basic needs for parents and realized that parents were also experiencing stress and therefore created support groups to help parents get connected. They have been able to partner with DPH for tools specific to parents and kids. There has been a solid group they have been working with and added 2nd day for support recently.

Michelle asked if the SDDTAC would like to continue this agenda item. Member responds that the agenda item is necessary but to expand the description, thus highlighting post COVID work, community work, achievements and/or recognition of members. Members agree with suggestion and to make it a standing agenda item.

9. DPH Staff Report [Discussion and Possible Action] – 15 minutes

a. Review of Suggested SDDTAC Legislation Changes

Staff provides shares that the SDDTAC legislation edits have been shared will all subcommittees and is presenting the legislation edits to the SDDTAC. The recommended legislation amendments include:

- Members from 16 to 20
- Seats 1 – 3 more specific language on community equity seat representation

San Francisco Department of Public Health

Dr. Grant Colfax
Director of Health

City and County of San Francisco
London N. Breed
Mayor

- Need for clarity on what legal voting age language on seat 6 means
- Adding 3 new seats that would mirror seats 1-3 community equity seats for transitional aged youth 16-25 years old and should be held by each community. In order to expand youth voice and greater reach to the populations and brings more of those voices to the table.
- Terms of membership – Terms to end in February so that terms would begin in March for a two year term.
- Terms for community seats appointed by Board of Supervisors be staggered so that they do not term off all at the same time for continuity.
- No compensation to city representatives but rather all youth seats receive a stipend for their work with the committee
- Consider language of - Sunset of SDDTAC in 2028 – no suggested language at this time

Member asked about suggested number of members to making it an odd number. Staff responded that initially it was 19 but members suggested adding language to include another youth seat under 19 years of age. Member asked if the membership term limits be changed to three year term instead of two year terms, as it typically takes one year for members to be acclimated with the work and mission of SDDT. Member agreed with 3 year term. Another member agreed to the change to 3 year terms but would keep the 2 year term limit for youth and transitional age youth seats. Staff will follow up with city attorney about the difference in year terms for specific seats. Member asked what the difference was regarding terms. Staff shared that the differences are by appointment by Board of Supervisors and there is a reapplication process and for the city department appointees there is no term limits.

Larry motions to change the terms for seats held by all members except youth seats for 3 years. Linda seconds. 11 ayes, 2 abstentions – Veronica and Abby. Motion is approved.

b. SDDTAC Member Experience Survey

Staff shares that Raimi & Associates is administering a SDDTAC member experience survey. Staff shared link in the chat for members to complete.

10. Stretch Break – 5 minutes

Saeeda leads stretch break.

11. Subcommittee Update [Discussion and Possible Action] – 10 minutes

a. Co-Chair Update

Co-chairs received email from Xavier Morales from the Praxis Project. The email was a request for a letter of support from the SDDTAC for a Robert Wood Johnson grant opportunity they are applying for in partnership with Mathematica. The proposed grant is to conduct an evaluation of the impact on soda tax work, what community capacity is being done and connect the community and equity centered evaluation. Michelle shared that she has asked for sample letter and it can be personalized to do evaluation. SDDTAC needs to first see letter of support. Staff shared that if SDDTAC want to support grant to further evaluate the work of the soda tax. Member shared that she is definitely in support in writing the letter. Member shared that she is familiar with the grant,

which would look upward and system wide changes; what is being evaluated can help us, to continue to receive funds or address places or taxes to support this, hoping that the place the city level there is other funds to replace that, and this report/evaluation might be able to speak to that need or probability. Member shared that in relationship to the data and evidence, would like to review and make recommendations and for SDDTAC to vote. Member added that after evaluation is completed, the data and evidence subcommittee should review. Staff shares that Raimi & Associates would be happy to partner with others, knowing Xavier and the Praxis Project would be good to build out solid understanding of what is happening in SF and elsewhere. Member noted that impact takes a long time, and important to highlight short-term benefits as well.

Michelle motions to have SDDTAC co-chairs on behalf of SDDTAC write letter of support for Praxis Project and to receive funding from the Robert Wood Johnson Foundation System for Action. Irene seconds.

10 ayes; 2 nays (Saeeda Hafiz and Larry McClendon)

b. Infrastructure Update

Michelle shared that the subcommittee reviewed SDDTAC legislative language edits, finalizing list of presenters for SDDTAC meetings, budget decision making framework and next month and vote on new co chair for subcommittee.

c. Community Input Update

Maysha shared at the community input subcommittee, members elected Maysha Bell as the new chair for the subcommittee. Discussed SDDTAC legislation edits of youth seat and increasing youth participations, seat 2 distinction; timeline to present to budget recommendations to the Board of Supervisors, which is not feasible due to time and individual supervisor meetings would be best. Discussed how to intentionally collaborate with other spaces; discussions on what seats are being represented, what is happening well with other soda tax committees and research, action plan on subcommittee.

d. Data and Evidence Update

Abby shared that the committee reviewed SDDTAC legislations edits, reviewed subcommittee mission and tasks and added recommendations on how to organize, how the tasks and objectives are structured. Invited two former SDDTAC members to give historical context of SDDT and the work of data and evidence, with Joi Jackson Morgan and Roberto Vargas and provided guidance.

12. Committee Member Proposed Future Agenda Items [Discussion and Possible Action] – 5 minutes

- Policy/mechanism/system to discuss SDDTAC writing letters for support for community – once a body writes letters of support in areas of support; to have a policy what it looks like, should it be expanded or limit per month – need for more detailed discussion

Public Comment

Kelly Close – trying to figure out what other cities that have soda tax to see what other cities have been able to do and generate, suggestion either in literature or data and evidence. Expressed

Budget Descriptions: SDDTAC recommends investing in strategies that support mental health and well being and workforce pathways for impacted/priority populations.

COMMUNITY-BASED GRANTS	<p>City Departments should contract directly with CBOs through an RFP process managed through the Community Health Equity and Promotion (CHEP) Branch of the Department of Public Health. CBG should support community-based programs and services that address the health inequities of those most targeted by the beverage industry. Funding should go to Community Based Organizations (CBOs) and Faith Based Organizations (FBOs) for the following strategies:</p> <ol style="list-style-type: none"> 1. Health Education activities including, chronic disease prevention, healthy eating and active living, tap water promotion, oral/dental health 2. Physical Activity opportunities, including: a) Dance and movement, sports, yoga, walking groups, biking, etc.; b) Efforts to influence changes to the built environment (ie sidewalks, streets, parks, buildings, etc) or safety of the built environment that facilitates increased physical activity and walking and biking for utilitarian trips, sometimes referred to as active transportation); and c) pursuit of institutional or local policies that facilitate physical activity and active transportation (such as adequate PE time and instructors, commuter benefits for active transportation, etc) 3. Healthy Eating/Food Security*, including: a) Community-based pantries, community-based hot meals, community kitchens and community home delivery services; b) Increased financial resources (i.e. wages, income, government nutrition supplements, vouchers, etc.); c) Changes to the built environment that facilitate food security; and d) Pursuit of institutional or local policies that facilitate food security. 4. Water Promotion, such as support for Spa Water Supplies, station maintenance/beautification, refillable water bottles to distribute to communities, water testing 5. Community Based Participatory Research
Health education, food security, physical activity	
CBOs working with SFUSD	7% of all CBO funding (eg 7% of approximately \$4.3 million) should go towards CBOs implementing programs/initiatives that take place in school settings. Funding to issue grants to CBOS should follow the guidelines above.
SFUSD	
School Food, Nutrition Ed	To improve the quality and appeal of school meals and support nutrition education to increase participation in school meal programs (for example: cooking and serving equipment, staff professional development, and innovative procurement and menu strategies to increase freshly prepared food). Funding will target schools with the largest populations of high-risk students that are disproportionately targeted by the sugary drinks industry.
Student Led Action	Support student led efforts to decrease consumption of sugary drinks and increase awareness of sugary drinks consumption among students, with focus on schools with the largest populations of high-risk students that are disproportionately targeted by the sugary drinks industry. SFUSD should provide to SDDTAC a proposal of how funding will be spent through student led action. Funding is provided for staff leadership, student and adult stipends and supplies.
Educational Investments	Educational investments that support and strive for professional development in health and wellness across lifespan. Scholarships and other supports in higher education in medical technology and health field careers for Priority Populations and including para professionals.
FOOD ACCESS	
Healthy Food Purchasing Supplement	Support programs that increase financial resources to purchase healthy food such as vouchers and food purchasing incentives. This investment is meant to support both the communities most impacted by the health consequences of sugary beverage consumption and to support the local economy including local merchants. These funds should be RFPed out to CBOs and FBOs according to the Community Based Grants guidelines.

Peace Parks	Peace Parks programming to serve Priority Populations
SVIP: Peace Parks Transportation	Transportation for Peace Parks participants
Requity	Outreach and scholarships for equity in recreation
BREASTFEEDING	To fund a breastfeeding coalition to organize collective efforts across San Francisco to enable increased breastfeeding among Priority Populations. This coalition will mobilize action on policy, systems, and environmental (PSE) changes to increase breastfeeding rate and duration, leveraging community strengths and tackling structural barriers to reduce inequities to breastfeeding support. This would include funding for backbone support to engage community stakeholders in a strategic planning and engagement process to develop a framework for short and long term goals embedded in principles of equity; help align breastfeeding support services in San Francisco including hospital, outpatient, and community based services to improve access to breastfeeding support; and provide technical assistance to partnering agencies (such as child care centers and businesses with less than 50 employees) to operationalize and implement breastfeeding friendly policies and practices.

* Funding should support programs and services that increase financial resources to purchase healthy food; access to healthy fruits and vegetables while minimizing processed foods for high-risk communities; foods that are affordable and convenient; and programs that support the consumption of healthy foods including the ability to prepare and store meals and the knowledge of basic nutrition, food safety and cooking. Priority programs should incorporate a community-based food security perspective and have demonstrated increased ability of food insecure residents to purchase, access, and consume consumption of healthy, fresh, low-to-no cost and culturally appropriate foods, including but not limited to food vouchers/incentives, transportation and delivery and prepared foods.

*The Board of Supervisors made a series of adbacks in the FY 17-18 budget. When the Board of Supervisors makes changes to the Mayor’s budget, some of these changes are “adbacks” denoting the Board’s decision to add funds back for a particular service. Adbacks become part of an agency’s baseline budget.
