MINUTES

25 Van Ness Avenue, Room 610
San Francisco, CA 94102

* Please note that public comment will be held after every agenda item. If a member of the public would like to comment on a topic that is *not* on the agenda, they may do so during general public comment at the start of the meeting. Please see the *Notes* section of this document for additional information about public comment.

** Times provided for agenda items are estimates

Order of Business:

1. Call to Order / Roll Call – 5 min – The meeting was called to order at 5:10 pm.
Approval of Excused Absences [Action]. Rita made motion to approve excused absences: Vanessa Bohm. Jonathan seconded the motion. Unexcused absences (<72 hours' notice): Kent Woo, Lyra Ng.
2. Approval of Minutes for December 7, 2018 [Action] – 3 min
A motion was made and seconded to approve the minutes and approved unanimously.
3. Review and Consideration of Regular Agenda [Action] – 2 min
A motion was made to move general public comment after the Mayor's Budget Office presentation, and then the DPH staff report after general public comment. The motion was seconded and approved unanimously.
4. Presentation: Mayor's Budget Office – 20 min
Ashley Groffenberger, the Mayor's Office Senior Fiscal and Policy Analyst, provided an update on the budget outlook including the 5-year financial plan projection, which anticipates \$270.8 million shortfall. The SDDT is projected to collect \$15M for the next 5 years. Excluding the \$1.2M in on-going "healthy addbacks" appropriated by the Board of Supervisors during the FY 17-18 budget process, nets \$10.4M in revenue available for appropriation. Ashley shared the Mayor's priorities, highlighting that her focus on accountability and equitable outcomes are especially in alignment with the SDDTAC. Ashley's presentation also outlined key dates for the budget cycle. (The presentation is available on www.sfdph.org/sddtac under meeting materials for the 1/16/19 meeting.)

Q - Can the SDDTAC make recommendations on revenue that comes in over budget?

A - The SDDTAC makes recommendations on the budgeted level of Sugary Drinks Distributor Tax. Therefore, the SDDTAC would not make recommendations on any revenue over budget

levels in this or any subsequent fiscal year. Like all other General Fund revenues, if the tax revenue comes in over budget in a particular fiscal year the additional revenue becomes year-end fund balance. These onetime funds are not reappropriated for a specific purpose, but rather are applied to the City's overall deficit in the subsequent two-year budget. Should Sugary Drinks Distributor Tax revenue come in over budget in FY 2018-19, this overage will become part of the overall fund balance and applied as a source in the FY 2019-20 and FY 2020-21 budget.

Should the Controller's Office make an on-going upward adjustment to this revenue source, the SDDTAC would be able to make recommendations on the new projected value for the upcoming budget. Likewise, an ongoing downward adjustment would reduce the amount available for recommendation. To date, the Controller's Office is not projecting any variance from budget (either above or below) in the collection of Sugary Drinks Distributor Tax revenue. Any updates will be made in the March 2019 update to the Five-Year Financial Plan.

5. General Public Comment – Members of the public were reminded to keep their public comment to two minutes. Those requiring translation have 4 minutes. First 5 of SF submitted a letter to the SDDTAC requesting support for the distribution of healthy food through their Family Resource Centers (FRC). Members of the public provided comment in support of food pantries, food banks, and family resource centers. Students from John O'Connell High School shared student led action efforts to increase consumption of healthy breakfast and water and efforts to reduce screen time. Families shared testimony about the importance of not only the healthy food they receive at their FRC, but also the support, training, services and education that are offered at their FRC.
6. DPH Staff Report [Discussion and Possible Action] – 10 min
 - a. Town Hall report – 5 min – The town hall report summarizes the findings from 6 town hall meetings that DPH convened in Bayview, Tenderloin, Mission, OMI, Chinatown and Western Addition. The findings reiterated that community is interested in programs supporting healthy eating and active living, as well as being involved in policy changes. The report is available at www.sfdph.org/chep.
 - b. City attorney update – 5 min
 - i. Revised By-laws – Because the SDDTAC is not part of the City Charter, The City Attorney's office reviewed the draft and recommended simplifying the "rules and regs" document, which is now called "bylaws" and making it consistent with other similar advisory committees. Changes relate to:
 1. Election of co-chairs;
 2. Simplifying language around absences and clarifying "good cause"; and
 3. Not needing to tape record the meetings for public record.
 - c. Appointment process update – 2 min - Alexandra Emmott (SFUSD, Seat 9) and Shelley Dyer (DPH Food Access/Security, Seat 12) replacing Libby Albert and Ryan Thayer's respective

7. Subcommittee Update [Discussion and Possible Action] – 90 min
