HOSPITAL SEEKS HELP TO IDENTIFY JOHN DOE

SAN FRANCISCO – San Francisco General Hospital and Trauma Center is seeking the help of city residents to identify a patient.

The unidentified man is in fair condition. He was admitted on Monday April 11 after being found around 4:00 pm on Richland Avenue by San Jose Avenue.

The patient is a Latino man in his 40s, with short black hair and brown eyes. He is 5 feet 4 inches tall and weighs 150 lbs.

He has not been able to tell us his name, and efforts to learn his identity have been unsuccessful. **We request that anyone who knows his identity contact SFGH at 415 206-8000.**

A photo of the patient, taken today, is attached.

San Francisco General Hospital and Trauma Center (SFGH)

San Francisco General Hospital and Trauma Center is the sole provider of trauma and psychiatric emergency services for the City and County of San Francisco. A comprehensive medical center, SFGH serves some 100,000 patients per year and provides 20 percent of the city's inpatient care. As San Francisco's public hospital, SFGH's mission is to provide quality health care and trauma services with compassion and respect to patients that include the city's most vulnerable. General Hospital is also one of the nation's top tertiary academic medical centers, partnering with the University of California, San Francisco on clinical training and research.
