DEPARTMENT OF PUBLIC HEALTH

FY 15-16 & 16-17 BUDGET

February 3, 2015
City General Fund situation continues to improve, but still facing modest $15.9 and $88.3 M deficits for FY 15-16 and FY 16-17, respectively.

City departments are instructed to reduce their GF by 1% reduction target for year 2. For DPH, this is a $6.2 M reduction target in FY 16-17.
Revenue Uncertainty

Revenue streams continue to shift with Healthcare Reform

- Future Disproportionate Share Hospital Revenue Adjustments
- Realignment “Claw Back”
- Dual Eligibles Managed Care Conversion Pilot1115 Medi-Cal Waiver
DPH Budget Strategies - Access

Continued implementation and follow-through on past initiatives

- Significant prior year investments in DPH’s service delivery system over the past two budgets in anticipation of the ACA to improve and expand access

- Preparing for the New San Francisco General Hospital
Strategies Include:

- Maintaining Community Programs Funding by restoring remaining $8.8 M reduction
- Increasing access to housing and respite services
- Investing in Population Health
- Implementing African American Health Initiative
- Getting to Zero to eliminate new HIV infections
Long-Term Investments In Information Systems for Financial Health

- Act on recommendations from prior studies to strengthen and modernize basic infrastructure
- Implement ICD-10
- Develop an integrated electronic medical record
- Minimize financial risk due to unsupported billing programs
IT Health Assessment

Infrastructure: Unstable & Slow
- End of life
- Out dated design
- Stalled or delayed initiatives
- Increasing operational cost

Structure & Governance: In Transition
- New industry standard structure and governance Model
- Roles and Responsibilities
- Culture change to empowerment and ownership

Support & Capabilities: Significant Gaps
- Leadership and Technical Skills
- Clinical staff training & system optimization-Clinical Informatics Team
- IT Teams unable to meet current tasks and projects
Strategy to Meet the Future

- **Strong Infrastructure Foundation**
  - 2014-2015
  - Basic Medical Grade Infrastructure in place to start Implementation of EHR

- **Effective IT and Clinical Support Teams & Due Diligence and Planning**
  - 2014-2015

- **Next Generation Electronic Health Record System Functions**
  - 2016-2017

- **Integrated Health Information System Across Continuum of Care**
  - 2018+
The conclusion of the consultant studies and internal evaluations is that DPH will need to invest up to ~$223 million over the next 5-7 years to bring its systems up to current health care industry standards, including and integrated EMR.
February 3 budget initiatives are the first step in the budget process:

- Meets Mayor’s year 2 General Fund savings target
- Restores prior-year reduction to the Community Programs RFP budget

Next step is to achieve a balance between ACA and public health implementation and investments in IT, financial stability

Scheduled for March 3 for draft balancing plan, continued work with Mayor’s Office through June 1
