- Outreach for April 19th board meeting youth speakers and providers

The flyer has gone out pretty widely, and Ms. Drummond announced it on her show. She also shared it with Horizons.

- Program Reviews

It was suggested that a list be made of youth programs to visit.

1.1 Public comment

Ms. Maureen Edwards from DPH introduced herself. She is taking the lead on building a System of Care for youth and transitional youth to facilitate navigation of the system. She believes it would be great to have a specific clinic for transitional age youth.

Ms. Scofield said to call her Mika. She is a CCSF student and shared preferred gender pronoun (PGP) as themselves. They organized a Youth Minds Matter event for April 29th to hear from youth. They feel it would be great if there were a specific TAY helpline and Navigation Center. Alameda County has a TAY outpatient clinic.
