6:50 PM Item 2.0 Mental Health Service Act Updates and Public Hearings
For discussion.

The passage of Proposition 63 (now known as the Mental Health Services Act or MHSA) in November 2004, provides increased annual funding to support county mental health programs. The Act addresses a broad continuum of prevention, early intervention and service needs and the necessary infrastructure, technology and training elements that will effectively support this system. This Act imposes a 1% income tax on personal income in excess of $1 million. One of the requirements of the Act is that the county must provide annual updates as well as hearings for changes in the way the county implements the funding.
