What is a Sanctuary City?

Federal Immigration and Customs Enforcement (ICE) often ask state and local criminal justice systems to assist in the enforcement of federal immigration laws.

Sanctuary Cities generally limit local law enforcement assistance with federal civil immigration enforcement.

- California, Vermont, Connecticut, Rhode Island have statewide laws
- 364 counties and 39 cities have policies limiting cooperation

San Francisco Sanctuary City Ordinance

In 1989, San Francisco passed the "City and County of Refuge" Ordinance (also known as the Sanctuary Ordinance)

- Prohibits City employees from using City funds or resources to assist Immigration and Customs Enforcement (ICE) in the enforcement of Federal civil immigration law unless such assistance is required by federal or state law.

In 2013, San Francisco passed the "Due Process for All" Ordinance

- Limits when City law enforcement officers may give ICE advance notice of a person's release from local jail. It also prohibits cooperation with ICE detainer requests, sometimes referred to as "ICE holds."

San Francisco Sanctuary City Ordinance

Department employees acting in their official capacities may not use City funds or resources to:

- a) Assist or cooperate with any investigation, detention, or arrest procedures, public or clandestine, conducted by federal immigration authorities (ICE) and relating to alleged violations of the civil provisions of federal immigration law, except as permitted under Chapter 12I of the Administrative Code.
- b) Request or give out information regarding the release status or personal information of any individual, except as permitted under Administrative Code Section 12I.3.
- c) Condition the receipt of City services or benefits on immigration status, except as required by federal or state statute or regulation, public assistance criteria, or court decision.
- d) Include any question regarding immigration status (other than those required by federal or state statute, regulation, or court decision) on any application, questionnaire, or interview form used in relation to benefits, services, or opportunities provided by the City.
- e) Detain an individual on the basis of a civil immigration detainer after that individual becomes eligible for release from local custody.
- f) Respond to a federal immigration officer's request for notification of an individual's release, unless the individual meets specified criteria listed in Administrative Code section 12I.3(c).

President's Executive Order

“Enhancing Public Safety in the Interior of the United States” (1/25/17)

- Directs enforcement action against sanctuary cities and threatens to withhold federal funding from these cities.
- The Executive Order is unconstitutional.
