Addendum to Sheriff Presentation: Data on Women in Jail

- The work group requested data breakdowns on charge types, area of residence and bail amounts for women in jail.
- The following tables are all based on a snapshot of August 23, 2016 – specifically, the 602 people in jail that day (64 women) who could not be released for a variety of reasons (e.g., hold, probation violation, etc.), See earlier slides for more details.
