---

What would LEAD SF program success look like to you?

What training and technical assistance from the LEAD National Support Bureau do you think would be helpful?

# Program Success

---

Initial Feedback from Stakeholders:

## **Program Development and Implementation**

- Better understanding of problems impacting our community
- Incorporation of trauma informed practices and harm reduction principles across law enforcement/justice system
- Data supported programming
- Accurate and timely communication to potential partners and participants
- Partners have clearly defined roles, real-time data sharing, and timely follow up
- Plan for sustainability

# Program Success

---

## **Impact (criminal justice system)**

- Reduced involvement/contacts with the criminal justice system over time
- Fewer felony cases booked/rebooked and lower rates of recidivism
- Justice system benefits from reduced incidents and case loads
- Reduction in jail population
- Reduction of racial disparities in jail population

## **Impact (individual and community level)**

- Improved neighborhoods (safety, cleanliness, etc.)
- Improved health and well-being of participants
- Equity as the frame to connect participants to recovery and support services, treatment, housing, employment, etc.

# Operational Workgroup Update

# Operational Workgroup Updates

---

Charging co-occurring offenses:

- Update: DA/Public Defender's Office will continue to develop plan to address co-occurring offenses (e.g. general guidelines) so that individuals are fully aware of process and expectations upon enrolling in the program.

# Operational Workgroup Updates

---

1) Seek direction on LEAD referral process in Tenderloin, dual-catchment area for LEAD and CJC

***Recommendation:*** Refer to LEAD until monthly LEAD referral slots are full and then refer to CJC.

2) Review LEAD SF Procedures

- Grant the Operational Workgroup authority to finalize procedures
