National Black HIV/AIDS Awareness Week

Press Conference and Candlelight March Planned

San Francisco, CA—Thursday, February 7, 2013 is our nation's 13th *National Black HIV Awareness Day*. In San Francisco, the San Francisco Department of Public Health, HIV Prevention Section and various community-based organizations will kick off National Black HIV Awareness Day at 4:30 p.m. at City Hall, Goodlett Steps, followed by a candlelight march to Glide Memorial. There will also be free HIV and STI testing, entertainment and refreshment. Members of the public are encouraged to attend.

HIV/AIDS still has a looming presence in the African-American community, both in San Francisco as well as across the nation. The purpose of the march is to raise awareness of the continued impact of the disease in African-American communities and to underscore the importance of the work that still needs to be done in fighting HIV/AIDS here at home.

Following the march, a community discussion will be held at the Glide Memorial with keynote speakers Dr. Malcolm John, Associate Clinical Professor at UCSF and Pastor Theon Johnson, Glide Memorial.

For more information about the week's activities and events, contact Vincent Fuqua, AIDS Office, 554-9073, Vincent.Fuqua@sfdph.org.
