Figure 1. Monthly STD trends for San Francisco. Syphilis cases different scale.

Table 2. Selected STD cases and rates for San Francisco by age and race/ethnicity, 2016 through January only. Rates equal cases per 100,000 residents per year based on 2000 US Census data.

	(All races)		Asian/PI		African American		Hispanic		White	
	cases	rate	cases	rate	cases	rate	cases	rate	cases	rate
All ages										
Chlamydia	654	1,010.4	80	380.4	61	1,142.5	88	964.4	254	899.4
Gonorrhea	416	642.7	31	147.4	53	992.7	59	646.6	200	708.2
Early syphilis	102	157.6	10	47.6	17	318.4	12	131.5	57	201.8
Under 20 yrs										
Chlamydia	39	911.0	3	165.2	15	2,733.8	11	1,191.4	3	324.5
Gonorrhea	11	257.0	1	55.1	5	911.3	1	108.3	3	324.5
Early syphilis	0	0.0	0	0.0	0	0.0	0	0.0	0	0.0

Table 3. HIV testing among City Clinic patients, January, 2016.

	2016		2015	
	month	YTD	month	YTD
Tests	561	561	508	508
Antibody positive	8	8	7	7
Acute HIV infection	1	1	0	0

Note: All statistics are provisional until the annual report is released for the year. Morbidity is based on date of diagnosis. Totals for past months may change due to delays in reporting from labs and providers.

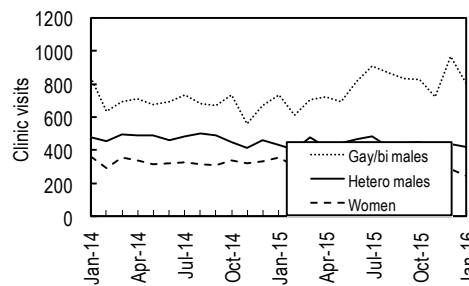

Figure 2. City Clinic visits by gender and orientation.

Figure 3. Average number of recent* sex partners for City Clinic visits by gender and sexual orientation. *Recall period is 3 months.

Available Now – Android and Apple Apps for 2015 CDC STD Treatment Guidelines

The 2015 CDC STD Treatment Guide app for both Apple and Android devices are now available in online stores and through this link: <http://www.cdc.gov/std/tg2015/default.htm> where the full guidelines, a pocket guide, and wall chart are also available.

We highly recommend using this free app to keep up with current CDC recommendations for STD management. CDC's MMWR journal updates are also provided through the app.

Additional resources to support implementing the updated guidelines include:

A 55-minute recorded webinar by Susan Philip, MD, MPH, the San Francisco STD Controller, on recent trends in STD epidemiology in San Francisco and select topics in the 2015 treatment guidelines: <http://www.sfcityclinic.org/providers/#Webinar2015>

A 13-minute podcast from the California STD/HIV Prevention Training Center: <http://www.stdpreventiononline.org/index.php/resources/detail/2020>

A CDC webinar (CE credits available): <http://www.cdc.gov/std/training/webinars.htm#tg-overview>

Providers who need any assistance in treating their patients for gonorrhea or chlamydia can call 415-487-5530; for assistance with treating syphilis patients, please call 415-487-5531.

Additional information and contact details can be found at our website: www.sfcityclinic.org TQN

Provider STD Reporting: 415-487-5555, 415-431-4628 (fax)
