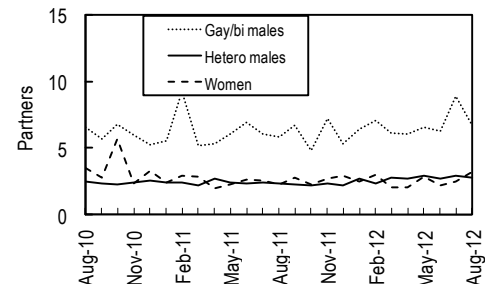

Figure 3. Average number of recent\* sex partners for City Clinic visits by gender and sexual orientation. \*Recall period is 3 months.

## Annual STD Update is Coming Soon!

San Francisco STD Prevention & Control will present "STD Update 2012" at Carr Auditorium on Thursday, November 8<sup>th</sup> 8am-12:30pm. This year's update will include interactive presentations covering the recent changes to the gonorrhea treatment guidelines in addition to a roundtable discussion on treatment and management of STDs. The Update is intended for clinicians, nurses, health workers and other staff involved with the clinical care of patients with STDs but anyone with an interest in STDs is welcome to attend. Registration is free and participants can earn CME/CEU credits. Registration materials are available at City Clinic's website: [www.sfcityclinic.org/providers/#Update2012](http://www.sfcityclinic.org/providers/#Update2012). AS
