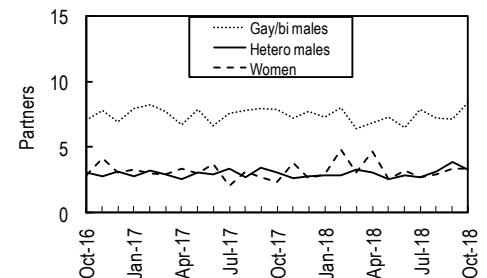

Figure 3. Average number of recent* sex partners for City Clinic visits by gender and sexual orientation. *Recall period is 3 months.

STD Resources available through San Francisco Department of Public Health

The STD staff of the San Francisco Department of Public Health (SFPDH) Population Health Division can provide assistance to providers who are having difficulty ensuring treatment for their patients who have tested positive for chlamydia, gonorrhea, or syphilis. Clinicians from San Francisco City Clinic can also provide consultation about testing and treatment guidelines.

Key Contact Information for Providers with questions about:

- **Syphilis** testing or treatment: 415-487-5531
- **Chlamydia or gonorrhea** testing or treatment: 415-487-5530
- **Any STD or PEP/PrEP Clinical Consultation**: 415-487-5595
- Completing the **Confidential Morbidity Report (CMR)**: 415-487-5530 <http://sfccityclinic.org/providers/Reportable-Diseases-List-CMR-SFPDH-FINAL-07.17.2018.pdf>
- SFPDH's "Promoting Sexual Health" toolkit for medical providers and staff **contains clinical resources for your practice and educational materials for your patients.** Please contact Darpun.Sachdev@sfdph.org if you would like to learn more about using the toolkit in your practice.
