STD Clinical Update

San Francisco City Clinic, in partnership with the California STD/HIV Prevention and Training Center, is conducting a free STD Clinical Update on STD-related clinical practices and local epidemiology. Free CME is available and breakfast will be provided.

The STD Clinical Update is on February 8, 2018 from 8am to 12:30pm at Zuckerberg San Francisco General Hospital. Please register through this website: http://bit.ly/STD2018_SF

Separate registration is open for the optional afternoon practicums:

“Examination and Interpretation of Wet Preparations of Vaginal Specimens” – <http://bit.ly/WetPrepFeb2018>

“Male and Female Genital Exam Skills” – <http://bit.ly/ExamSkillsFeb2018>

A note of gratitude

We would also like to take the opportunity to thank all of you for your commitment to improving the sexual health of San Franciscans through your work; engagement in issues of STD screening, treatment, and care including partner services; and maximizing opportunities for patients/clients to participate in their own sexual health care.

Happy wishes for the holidays and new year! *TQN/SEC/SSP*
