Asian Women’s Resource Center (AWRC) was established by Gum Moon's Board of Directors to reach a wider segment of the community in its provision of social and educational services. AWRC serves low-income Asian immigrant families and children from San Francisco, including Richmond, Sunset, and Chinatown communities. The programs of AWRC target more than just women, but the family as a whole, and reflect a movement towards the provision of comprehensive services for low-income monolingual Asian immigrant families.
