Thank You

The SFAAFBC leadership team and the SFDPH staff thank each of you for your dedication, commitment to excellence, and service to the community. Your tireless work in planning and executing the “Feeding 5000” event held at the Cow Palace was a phenomenal success.

You are amazing! And words cannot accurately express how deeply grateful we are for everyone who united to achieve such a worthy goal. Thanks to you, we provided more than 5,000 needy San Francisco families with turkeys, trimmings, fresh produce, and \$25 gift cards. We distributed 2200 meals to seniors. We gave out healthy food that strengthened the body, and your acts of kindness fed the soul through your love of Jesus Christ.

Your participation and efforts are historical and reflective in the words of our Lord, who said: “Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me.” Again, thank you, people of God. Stay safe, stay prayerful, and may the grace and peace of God be multiplied to each of you and your families.

With God’s grace and mercy, SFAAFBC Steering Committee,

SFAAFBC and the SF Department of Public Health Hosted a Holiday Giveaway for 5000 Households

Addressing food insecurity and expanding food access has been a critical objective of the SFAAFBC over the past several months.

This effort was made possible by the City's partnerships with a diverse network of 60+ private and community-run organizations who work tirelessly to provide food to the community.

Items were distributed via a drive-through service with strict COVID-19 safety procedures in place.

Our Major Contributors

City of San Francisco officials, community, philanthropy and faith leaders together brought love, joy, and holiday spirit to people struggling with food insecurity.
