The San Francisco Department of Homelessness and Supportive Housing
San Franciscans is the #1 issue impacting our community

• There are currently 6,700 people experiencing homelessness and 3,500 of those people are unsheltered

• We have done great work and ended homelessness for nearly 23,000 people since 2004 (PSH & Homeward Bound), but there is more work to be done

• Some of the most cutting edge solutions to homelessness have roots in SF
  • Direct Access to Housing
  • Project Homeless Connect
  • Navigation Centers
  • LGBTQ Shelter
While the City had made significant investments in homeless services and housing, these programs were spread across City agencies making coordination and integration an ongoing challenge.
DHSH will consolidate staff, programs, and resources into a centralized department with a singular focus on preventing and ending homelessness.

- Staff from HSA (Housing & Homeless), DPH (HUH & SFHOT) and Mayor’s Office of HOPE

- Contracts and resources from DPH, HSA, MOHCD, DCYF, and DAAS
Department on Homelessness & Supportive Housing: Goals

Through the provision of coordinated, compassionate, and high-quality services the Department will work toward the goal of making homelessness in San Francisco rare, brief, and onetime. Benchmarks toward this goal include:

- **End chronic homelessness among veterans by 2017**
- **Reduce HUMS list by 50% by 2018**
- **End family homelessness by 2019**
- **End homelessness for 8,000 people by 2020**
Department Priorities

- Conducting a gaps analysis and a strategic plan
- Developing a coordinated entry and resource prioritization system
- Addressing encampments and street homelessness
- Invest in homelessness prevention
- Expand available housing exits
The vast majority of operating expenditures occur in the Human Services Agency (55%) or Department of Public Health (34%).

Approximately three-quarters of the funding comes from the City’s General Fund.
Spending by Service Category FY 2015-16

- Supportive Housing
- Medical Care
- Shelters/Transitional Housing
- Eviction Prevention/Rental Subsidies
- Outreach/Engagement
- Childcare Services
