

ZSFG CHIEF OF STAFF REPORT (ACTION ITEMS)
Presented to the JCC-ZSFG on June 28, 2016
(06/13/2016 Leadership MEC and 06/16/16 Business MEC)

Neurosurgery Clinical Service Rules and Regulations, Policies and Procedures *(copy emailed to Commissioners)*

MEC approved the Neurosurgery R&R with no changes.

Credentials Committee Items:

Privilege List Revisions

- Otolaryngology Privilege List – Changes made to move “resection of carotid body tumor” from Special Head and Neck Reconstruction category to General Otolaryngology, consistent with the current UCSF OHNS privilege specifications. *(copy attached)*
- Pediatrics Privilege List – Revisions include:
 - 32.26 Care of Newborns – This new privilege was added as required for the 24/7 Nocturnist nursery program which will start on July 1, 2016. This will allow inpatient hospitalists to provide coverage at the nursery on sick neonates. Inpatient hospitalists can stabilize neonates until neonatologists come in.
 - 32.21 Pediatric Intensive Care – Minor changes for 32.21 Pediatric Intensive Care with addition of PALS requirement.*(copy attached)*
