Commissioner Belle Taylor-McGhee, Member  

The meeting was called to order at 2:03pm.

2) **APPROVAL OF APRIL 21 2015 COMMUNITY AND PUBLIC HEALTH COMMITTEE MINUTES**

   **Action Taken:** The Committee unanimously approved the 4/21/15 meeting minutes.

3) **HEADLINE INDICATOR: CHILD MALTREATMENT**

Greg Cutcher, Children’s Medical Services Director, gave the presentation.

**Commissioner Comments/Follow-Up:**
Commissioner Chow asked for clarification on how the Maternal, Child, Adolescent Health Section fits into the SFDPH organization. Dr. Mary Hansell, Director of the Maternal, Child, Adolescent Health Section, stated that the Section is under “Ambulatory Care” within the San Francisco Health Network. She also stated that many of its programs are also aligned with the Population Health Division.
Commissioner Chow asked why this Section is located within the San Francisco Health Network. Dr. Tomas Aragon, Director of Population Health stated that he Maternal, Child, Adolescent Health Section provides direct client care in addition to its public health education programs.

Commissioner Pating requested that the data for substantiated allegations be presented by geographic areas and racial groups for future presentations.

Commissioner Pating commended the SFDPH for its Trauma-Informed paradigm and stated that it is vital to look at how trauma impacts mental health and health outcomes through a person’s life.

Commissioner Pating asked if the Maternal, Child, Adolescent, Health Section is involved with the African American and Latino initiatives within the SFDPH. Dr. Hansell stated that the Section is involved in both. Marcellina Ogbu, Deputy Director of the San Francisco Health Network stated that the public health nurse services are vital to these two communities.

4) DPH PROGRAMS RELATED TO OPIOID USE DISORDER
Judith Martin MD, Medical Director of Substance Use Services, gave the presentation.

Commissioner Comments/Follow-Up
Commissioner Pating asked for information regarding the waitlist for treatment services. Dr. Martin stated that the SFDPH system is treatment-on-demand; there is no waitlist if someone requests access to services before 1pm.

Commissioner Pating how people who are not insured or eligible for MediCal receive services. Dr. Martin stated that Health San Francisco provides the mechanism for this population to receives treatment.

Commissioner Pating asked if there are any reported programs with clinics having too many patients on Buprenorphine. Dr. Martin stated that the number of patients on Buprenorphine is not at capacity and there are no reported problems.

Commissioner Pating asked if most substance use treatment is provided by SFDPH providers or contractors. Dr. Martin stated that except for the Treatment Access Program, all the SFDPH substance use treatment is provided by contractors. She noted that the SFDPH Treatment Access Program works to place individuals in treatment with contracted providers.

Commissioner Pating asked for an update on the development of the SFDPH pain clinic. Dr. Albert Yu, Director of the San Francisco Health Network Ambulatory Care, stated that the Tom Waddell Health Center is finalizing its pain clinic and the SFDPH is looking to develop another pain clinic at an undetermined site.
