3) COMMUNITY HEALTH EQUITY AND PROMOTION BRANCH UPDATE
Tracey Packer, Director, gave the presentation.

Commissioner Comments:
Commissioner Pating asked if the Black/African American Wellness and Peer Leaders (BAAWPL) are in charge of the SFDPH Black/African American Health Initiative (BAAHI). She noted that BAAHI is currently mostly an internal group and BAAWPL includes contractors, and HOPE SF staff. She added that both groups are working towards cross collaboration.

Commissioner Pating asked if these activities are based on geography or class/race. Ayanna Bennett MD, Director of SFDPH Interdivisional Initiatives, stated that many neighborhood groups within San Francisco consider themselves communities. She also noted that the African American communities are segregated by geography and racial discrimination.
Commissioner Bernal asked for clarification regarding the baseline year for the “Getting to Zero” data on slide on 12. Ms. Packer stated that the baseline data was from 2011.

Commissioner Bernal requested that a future “Getting to Zero” presentation include outcome measures and other relevant metrics.

Commissioner Pating stated that he looks forward to reviewing scorecard indicator data at next year’s update.
