Explanation of Service Change and Variances:
This is a new contract.

Monitoring Report/Program Review & Follow-up:
The contract services will be monitored by the Department as required. The SFDPH Program Administrator will be responsible for assisting and tracking all information related to the accomplishment of the project.

Nondiscrimination and Cultural Competency:
The Department will work closely with the contractor to ensure that their cultural competency plan is current and in compliance with Departmental procedures.

Other Significant Issues:
Apex Revenue Technologies (Apex) has been in business since 1995 and provides solutions to more than 2,500 healthcare organizations across the United States. Apex offers a single platform solution, providing a variety of patient communications and payment technologies that enable patients to make convenient payments. Apex has a deep technical experience normalizing patient data and providing seamless portal experience with Epic and the City and County of San Francisco governing environment.

Apex Revenue Technologies was the successful respondent to RFP 37-2017 for patient statement mailers, insurance and patient letters.
