

**HEALTH COMMISSION**  
**City and County of San Francisco**  
**Resolution No. 08-11**

**RESOLUTION SUPPORTING INTENT OF AMENDMENTS TO THE  
SAN FRANCISCO HEALTH CARE SECURITY ORDINANCE**

Whereas, the Board of Supervisors is considering legislation to amend the Health Care Security Ordinance in response to concerns that some employees are not receiving health care expenditure benefits if their employer has established a Health Reimbursement Account, and

Whereas, the Health Commission supports the original intent of the Health Care Security Ordinance and is proud of the success of the landmark legislation that has provided health care access to currently 54,000 uninsured adult residents, now, be it

Therefore be it resolved, that the Health Commission supports the intent of Supervisor Campos' amendments to the Health Care Security Ordinance with the following recommendations:

1. That the Ordinance is amended to require private employers who use Health Reimbursement Accounts to follow the same procedures that the City and County of San Francisco uses to administer the Medical Reimbursement Accounts under the City Option and;
2. That the Ordinance is amended to allow health providers to access the funds in an employee's Health Reimbursement Account directly to pay for health care services provided to that employee.

I hereby certify that the San Francisco Health Commission at its meeting of July 19, 2011 adopted the foregoing resolution.
