Dr. Hammer will also represent the Community and Primary Care Service in MEC as the Service Chief, replacing the role vacated by Dr. Lisa Johnson.

Approved Privilege/Form Revisions:

- Revised Otolaryngology Lists – The privileges lists for these surgical services were revised to indicate the standardized criteria for privileges in all Surgical Services, as recommended by Dr. Miclau and accepted by MEC. (Privileges List Attached)

- ECT (Electro Convulsive Therapy) Privileging Language Revision – MEC approved the Psychiatry Service’s request to reduce the number of cases required to complete proctoring for providers who completed ECT training as part of an ACGME residency/fellowship at UCSF.
