**REAPPOINTMENT:** Review of 2 cases

### 61.16 WAIVED TESTING

Privileges in this category relate to common tests that do not involve an instrument and are typically performed by providers at the bedside or point of care. By obtaining and maintaining waived testing privileges, providers satisfy competency expectations for waived testing by the Joint Commission.

**PREREQUISITES:** Currently Board Admissible, Board Certified, or Re-Certified by an American Board in Emergency Medicine, Family Community Medicine, Medicine, Internal Medicine Subspecialty, Pediatrics, Obstetrics/Gynecology, or General Surgery.

**PROCTORING:** By the Chief of the Laboratory Medicine Service or designee until successful completion of a web-based competency assessment tool is documented for each requested waived testing privilege.

**REAPPOINTMENT:** Renewal of privileges requires every two years documentation of successful completion of a web-based competency assessment tool for each waived testing privilege for which renewal is requested.

- A. Fecal Occult Blood Testing (Hemoccult®)
- B. Vaginal pH Testing (pH Paper)
- C. Urine Chemistrip® Testing
- D. Urine Pregnancy Test (SP® Brand Rapid Test)

### 61.20 CTSI (Clinical and Translational Science Institute) - CLINICAL RESEARCH

Admit and follow adult patients for the purpose of clinical investigation in the inpatient and ambulatory UCSF CTSI Clinical Research Center settings.

**PREREQUISITES:** Currently Board Admissible, Certified, or Re-Certified by one of the boards of the American Board of Medical Specialties. Approval of the provider’s Service Chief and Director of CTSI is required if Board Admissible, Certified, or Re-Certified in a specialty other than Internal Medicine or one of its subspecialties.

**PROCTORING:** Review of 3 cases

**REAPPOINTMENT:** Review of 3 cases.
