- Privilege 62.22“Waived Testing” removed - see attached email.

Neurology Clinical Service Rules and Regulations, Policies and Procedures *(copy emailed to Commissioners)*

MEC approved the proposed revisions to the Neurology’s R&R, as presented by Dr. Claude Hemphill III. Changes include:

- Dates changed to current in headers and title throughout document
- Throughout document “SFGH” changed to “ZSFG” and “San Francisco General” changed to “Zuckerberg San Francisco General”
- Page 5 – Description of Director of Neurology Inpatient Services (aka Neurohospitalist Service) added
- Page 6 – “Neurology Medical Student Education Site Director” changed to “Neurology Education Site Director” and responsibilities updated to reflect broader role in trainee education
- Page 7 – “Transcranial Doppler Cerebrovascular Laboratory” removed as this is not currently an independent diagnostic laboratory but rather a test performed as needed in patients by the Neurocritical Care/Stroke Attending or Fellow.
- Updated current Neurology Privileges are included, as previously approved by MEC in 12/15
- Page 32 –Neurology Resident Didactic Conference added as this is new activity.
- Pages 38 & 39 – Change document to “SFGH Ward Attending Expectations 2016-2017” – no substantive changes in content
- Pages 40 & 41 – Change document to “SFGH Consult Attending Expectations 2016-2017” – no substantive changes in content
