ZSFG CHIEF OF STAFF ACTION ITEMS
Presented to the JCC-ZSFG on June 27, 2017
(06/12/17 Leadership MEC and 06/15/17 Business MEC)

Credentials Committee:
- Adult Medicine Clinic RN Standardized Protocols (Copy attached)
  Summary of changes:
  - Updated language to reflect hospital new name, Zuckerberg San Francisco General
  - Updated name of clinic to Richard Fine People’s Clinic (replacing General Medicine Clinic/GMC)
  - Removed references to EMTALA and MSE since clinic no longer falls under EMTALA regulations
  - Consistent use of provider v attending when appropriate to reflect clinic practice
  - Updated “plan” to include attending consultation on all patients
  - Updated language to reflect use of electronic medical record (rather than language specific to LCR, eCW)
  - Reviewed and updated name of RNs covered by SP
  - Reviewed and confirmed accuracy of vital sign indications
  - Updated language to reflect any new workflows adopted since opening of Building 25
  - Add 3 annual chart reviews (p. 8 C. Evaluation 2. Annual)
  - Add urine hcG (for women of reproductive age) to objective data on p 18 (abd pain protocol)
  - Remove reference to suspected musculoskeletal pain as an exclusion criteria (protocol #2)
  - An additional change recommended by the committee was to add the following as the first bullet under D. Plan 2. Patient conditions requiring attending consultation: “as determined by triage category (urgent or emergent)”.

Emergency Medicine Clinical Service Rules and Regulations, Policies and Procedures
No changes. (Copy emailed to Commissioners)
