| 7/11--6/13 | Child Behavioral Health Initiative, State of Massachusetts Committee to Reduce Health Disparities in Minority Child Mental Health |
| 2018--present | Early Childhood Behavioral Health Integration Work Group <ul style="list-style-type: none"> • Multiple hospital and state agency initiative for infant and young children's access to behavioral health services |
| 2018—present | Grayken Center for Addictions Policy Committee <ul style="list-style-type: none"> • BMC hospital and interagency initiative for addressing addictions especially the opiate crisis in the commonwealth of Massachusetts. |

Research and Other Support

Current Funded Projects

- 08/18-06/23 Patient Centered Outcomes Research Institute (PCORI)
Kids FACE FEARS: Kids Face-to-face And Computer-Enhanced Formats
Effectiveness study for Anxiety and Related Symptoms
Role: MPIs Lisa Fortuna and Donna Pincus (\$12, 400, 000)
This is a large multi-site pragmatic trial testing two different methods of delivering CBT for anxiety in kids (face-to-face versus online formats) in nine health centers and pediatric practices, both urban and semirural in Boston, Seattle, Baltimore and Miami, that serve primarily racial/ethnic minority children inclusive of patient-centered outcomes and decision making.
- 07/18-06/23 National Institute of Mental Health (1R01MH117123)
Optimization of a Family Navigator Model for Child Mental Health Role: MPIs Drs. Lisa Fortuna (Child Psychiatry) and Emily Feinberg (Pediatrics) (\$2, 225, 000).
The major objective of this project is the optimization of a family navigator model for supporting children's mental health services access in a community health center setting. The study uses Multiphase Optimization Strategy (MOST), a framework from engineering, to test efficacious and effective components of interventions.
- 12/15-12/19 Richard and Susan Smith Family Foundation
Transforming and Enhancing Access to Mental Health in Urban Pediatrics (TEAM UP) for Children
Role: MPIs Lisa Fortuna and Emily Feinberg (\$10,000,000).
The goal of this project is to develop, implement and test a model of behavioral health integration for children (0-18 years) and their families in primary care pediatrics within three diverse Federally Qualified Health Centers serving primarily low-income communities in the greater Boston area.

Recent Past Funded Projects

- 5/13-04/17 National Institute on Drug Abuse (3R01 DA034952-02S1)
International Latino Research Partnership,
Role: Co-I; PI: Margarita Alegria (\$122,066/year)
(R01 includes randomized controlled trial of the therapy model developed in my K23 adapted for Latino immigrant adults with co-occurring disorders and delivered in the primary care and community organization settings in the US and Spain).
- 5/11-2/15 5R01MH085653 Barriers and Facilitators of Mental Health Services Utilization among Latinos, National Institute of Mental Health, Role: Co-I; PI: Milagros Rosal (\$212,720/year)
- 1/11-3/12 Peter F. McManus Charitable Trust: Gender, Social Learning and Adversity, Factors in Adolescent Development of Substance Use Disorders (FADS STUDY), Role: PI (\$50,000)
- 1/11-3/11 UMMS Center Clinical and Translational Research Community Engagement Research Award, Role: PI (\$40,000)
- 9/09-8/11 1RC1MH088542 Treatment Retention Strategies in Transition Age Youth, Role Co-I; PI: Maryann Davis (\$408,752)

| | |
|--------------|---|
| 7/06-6/11 | 5K 23 DA018715 PI: Lisa Fortuna, CBT Treatment for PTSD and SUDs in Minority Youth NIDA, Role PI (\$742,575) |
| 10/09 –9/10 | SAMHSA/NCTSN PI: Lisa Fortuna & Michelle V. Porche, Community Dialogue and Needs Assessment for Addressing Traumatic Stress among African Refugee Youth and Families in New Hampshire National Child Traumatic Stress Network, Role: MPIs with Michelle Porche (\$10,000) |
| 11/08 – 9/09 | Executive Office of Health and Human Services of Commonwealth of Massachusetts, Communities of Care Foundations Evaluation of the Project for Youth with Socio-emotional needs and Juvenile Justice Diversion Program, Role: PI (\$75,000) |
| 10/01-10/06 | U01 MH 062209 National Latino & Asian-American Study NIMH Role: Co-I; PI: Margarita Alegria (\$3,319,907) |
| 9/05 –6/11 | P50 MHO 73469 PI: Margarita Alegria, Advanced Center for Latino MH Systems Research NIMH, Role: Co-I PI: Margarita Alegria (\$821,185) |
| 05/05-09/09 | 1R01MH070689-01A1 Sociocultural Context of Latina Adolescent Suicide NIMH Role : Co-I; PI: PI: Luis H. Zayas (\$349,877) |

Select Invited Lectures and Presentations

Local/Regional

| | |
|------------|---|
| July 2001 | Invited Lecture, <i>Evaluation of suicidality in children and adolescents in primary care</i> . Pediatric Roundtable Seminar, two seminars for Pediatric Attending Physicians at Massachusetts General Hospital, Boston, MA |
