Privileges for Zuckerberg San Francisco General Hospital

12.70 Waived Testing
Privileges in this category relate to common tests that do not involve an instrument and are typically performed by providers at the bedside or point of care. By obtaining and maintaining waived testing privileges, providers satisfy competency expectations for waived testing by The Joint Commission.

PREREQUISITES: Currently Board Admissible, Board Certified, or Re-Certified by an American Board in Emergency Medicine, Family Community Medicine, Medicine, Pediatrics, Obstetrics/Gynecology, or General Surgery.

PROCTORING: By the Chief of the Laboratory Medicine Service or designee until successful completion of a web-based competency assessment tool is documented for each requested waived testing privilege.

REAPPOINTMENT: Renewal of privileges requires every two years documentation of successful completion of a web-based competency assessment tool for each waived testing privilege for which renewal is requested.

A. Fecal Occult Blood Testing (Hemoccult)
B. Vaginal pH Testing (pH Paper)
C. Urine Chemistrip Testing
D. Urine Pregnancy Test (SP Brand Rapid Test)

12.80 Evoked Potentials

PREREQUISITES: Currently Board Admissible, Board Certified, or Re-Certified By the American Board of Emergency Medicine. At initial request of this privilege, mandatory training and minimum of 12 CME hours by the American Society of Electroencephalographic Technicians (ASET) or the American Academy of Audiology.

PROCTORING: Review of 5 cases by an assigned Neurology Service Staff Member with evoked potential privileges.

REAPPOINTMENT: Review of 3 cases.

12.90 Addiction Medicine

Provide addiction medicine consultative services and treatment to patients in the inpatient and ambulatory settings.

PREREQUISITES: Currently board admissible, certified, or re-certified by the American Board of Addiction Medicine OR by the American Board of Preventative Medicine Addiction Medicine Subspecialty and board admissible, certified or re-certified by the American Board of Internal Medicine, an Internal Medicine Subspecialty, American Board of Family Medicine, American Board of Pediatrics, American Board of Psychiatry and Neurology, or American Board of Emergency Medicine. Approval of the Director of the Addiction Medicine Service required for all applicants.

PROCTORING: Review of 5 cases. Review to be performed by Addiction Medicine Service Director or designee.
